

ZCO ZF 4-20X50 - FDE - Tremor 3, CCW - 10 MIL - lock

[Optics & Mounting](#) > [Electronic Sights](#)

The ZCO ZC420s offer unrivalled optical performance and mechanical precision in an ultra-compact design.

With a length of 325 mm and a weight of only 986 g, they are ideal for applications that require maximum performance in a small size. The low magnification allows a wide field of view for close-up procedures, while the mechanical system offers a height adjustment of 35 mils.

Outstanding optical performance includes clarity, light transmission and resolution that set new standards.

The total light transmission is 92% and colour rendition is excellent.

The ZC420 are available in black and FDE.

Attributes

- Name: [ZCO ZF 4-20X50 - FDE - Tremor 3, CCW - 10 MIL - lock](#)
- Manufacturer: [ZCO Zero Compromise Optics](#)
- Product no.: BRD730051
- Mfr. No.: ZCO4000595
- Color: FDE
- Magnification: 20x
- Min. Magnification: 4x
- Objective Size: 50mm
- Reticle: Tremor 3, CCW
- Delivery weight: 5kg

ZCO ZF 420X50 Safety Instruction Guide

Introduction

Thank you for choosing the ZCO ZF 420X50 scope. This guide provides important safety information and instructions to ensure the safe and effective use of your product. Please read this guide carefully before using the scope to familiarize yourself with its features and safety precautions.

General Safety Guidelines

- **Product Safety:**
 - Ensure the safe use of the ZCO ZF 420X50 scope, which is designed for nonfood use.
 - Be aware of potential risks associated with optical devices and follow all safety instructions.
- **Enhanced Recalls:**
 - Stay informed about product recalls. If a recall occurs, follow the instructions provided for returning the product or receiving a remedy.
- **Online Shopping:**
 - If purchased online, ensure the seller complies with safety requirements and offers protections similar to physical stores.
- **Special Consumer Focus:**
 - Extra care should be taken when using this product around children. Ensure that children do not use the scope without adult supervision.
- **EU Contact Point:**
 - For any safety inquiries, please refer to the EU-based contact point provided with your product.
- **Rapid Alerts:**
 - Be aware that updates on unsafe products can be found on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always handle the scope with care to avoid damage.
- Do not look directly at the sun or any bright light sources through the scope, as this may cause serious eye damage.
- Ensure that the scope is mounted securely to prevent it from loosening during use.
- Do not disassemble the scope. Any repairs or maintenance should be performed by authorized service personnel.
- Keep the scope out of reach of children and pets when not in use.
- Use the scope only for its intended purpose, such as hunting or target shooting.
- Regularly inspect the scope for any signs of damage or wear before use.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded before attaching the scope.
- Use appropriate mounting rings for the ZCO ZF 420X50 scope.
- Mount the scope on the firearm according to the manufacturer's instructions, ensuring it is securely fastened.
- Adjust the scope to the desired position for optimal eye relief.

2. Usage:

- Adjust the magnification by rotating the magnification ring to the desired level (4x to 20x).
- Use the focus adjustment to clarify the reticle and target.
- Ensure the scope is properly zeroed before use. This may require test firing and adjustments.
- Maintain a steady shooting position to ensure accuracy while using the scope.
- Regularly check the scope's alignment and settings during use to ensure optimal performance.

Disposal Instructions

- Dispose of the ZCO ZF 420X50 scope in accordance with local regulations.
- Do not dispose of the scope in regular household waste. Instead, consider recycling options or returning it to a designated collection point for electronic waste.
- Ensure all batteries (if applicable) are removed and disposed of according to local battery disposal regulations.

Contact Information for Further Support

For any further support regarding the ZCO ZF 420X50 scope, please refer to the documentation provided with your product or visit the manufacturer's website for additional resources.

By following these safety instructions and guidelines, you can ensure the safe and effective use of your ZCO ZF 420X50 scope. Always prioritize safety and responsible use. Thank you for your attention to these important matters.
