

ZF 5-27X56 - ZC Optics ZF 5-27X56 - Black - MPCT1X - ccw - 10Mil tower - no lock

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

ZC527

The ZC527 from Zero Compromise Optic sets a new standard for precision binoculars and is considered the benchmark in its class.

Technical data:

- Length of 387mm (15.24 inches) and a weight of only 1075g (37.9 ounces) for a compact and lightweight design
- 35 mil elevation adjustment and 21 mil windage adjustment for precise and reliable adjustments
- Generous field of view of 7m / 100 metres (21ft/100yds) for a first-class view and target tracking
- Excellent light transmission and exceptional resolution for best optical performance
- Also available in FDE (flat dark earth finish) for added versatility and style options

Conclusion: The ZC527 from Zero Compromise Optic redefines the boundaries of precision long-range optics, offering an unrivalled combination of performance, quality and design. With its compact design, precise adjustments and outstanding optical properties, it is the ideal choice for discerning shooters who demand only the best.

Safety Instruction Guide for ZCO Zero Compromise Optics ZF 527X56

Introduction

Thank you for choosing the ZCO Zero Compromise Optics ZF 527X56. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle the product with care to avoid damage or injury.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any signs of wear or damage before use.
- In case of any malfunction or damage, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Avoid looking directly at the sun through the optics, as this can cause serious eye damage.
- Do not disassemble or modify the product. This may void the warranty and pose safety risks.
- Ensure that the product is securely mounted to your firearm before use.
- Use appropriate eye protection when using the product, especially during shooting activities.
- Be aware of your surroundings and ensure that the area is safe before using the product.

Instructions for Installation and Usage

Installation

1. Mounting the Scope:

- Select a suitable mounting base for your firearm that complies with the specifications of the ZF 527X56.
- Securely attach the scope to the mounting base following the manufacturer's instructions.
- Ensure that the scope is level and properly aligned with the firearm.

2. Adjusting the Scope:

- Use the elevation and windage adjustments to zero the scope according to your shooting requirements.
- Refer to the product manual for specific adjustment instructions.

Usage

1. Focusing the Scope:

- Adjust the eyepiece focus to ensure a clear view through the scope.
- Use the magnification adjustment ring to set your desired level of zoom.

2. Target Acquisition:

- Position yourself in a stable shooting stance.
- Look through the scope and align the reticle with your target.

- Make necessary adjustments to the elevation and windage for accurate targeting.

Disposal Instructions

- Dispose of the product in accordance with local regulations and guidelines for electronic waste.
- Do not dispose of the product in regular household waste.
- Contact local authorities for information on recycling or safe disposal options.

Contact Information for Further Support

For any safety inquiries or concerns regarding the ZCO Zero Compromise Optics ZF 527X56, please reach out to the designated EU contact point or your local distributor.

By following these safety instructions, you can ensure a safe and enjoyable experience with your ZCO Zero Compromise Optics ZF 527X56. Thank you for your attention to safety.
