## ZC527

The ZC527 from Zero Compromise Optic sets a new standard for precision binoculars and is considered the benchmark in its class.

### *Technical data:*

- Length of 387mm (15.24 inches) and a weight of only 1075g (37.9 ounces) for a compact and lightweight design
- 35 mil elevation adjustment and 21 mil windage adjustment for precise and reliable adjustments
- Generous field of view of 7m / 100 metres (21ft/100yds) for a first-class view and target tracking
- Excellent light transmission and exceptional resolution for best optical performance
- Also available in FDE (flat dark earth finish) for added versatility and style options

*Conclusion:* The ZC527 from Zero Compromise Optic redefines the boundaries of precision long-range optics, offering an unrivalled combination of performance, quality and design. With its compact design, precise adjustments and outstanding optical properties, it is the ideal choice for discerning shooters who demand only the best.

# Safety Instruction Guide for ZCO Zero Compromise Optics ZF 527X56

## Introduction

Thank you for choosing the ZCO Zero Compromise Optics ZF 527X56. This product is designed for precision and performance in longrange optics. To ensure safe and effective use, please read and follow this safety instruction guide carefully.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the ZF 527X56 by following all guidelines provided.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product. You can check for updates on the EU's Safety Gate platform.
- **Online Shopping Protections:** If purchased online, ensure the seller complies with safety requirements.
- **Special Consumer Focus:** This product is not intended for children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU contact for this product.
- **Rapid Alerts:** Be aware that updates on unsafe products will be communicated through the Safety Gate system.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - The product contains small parts that could pose a choking hazard if mishandled.
  - Improper use may lead to eye strain or injury.
- **Avoiding Hazards:**
  - Do not look directly at the sun or bright light sources through the scope.
  - Ensure the scope is securely mounted and adjusted before use.
  - Use protective eyewear if necessary while operating the product.
- **Age Warnings:**
  - This product is not suitable for children under 18 years of age. Adult supervision is advised if used in the presence of younger individuals.

## Instructions for Installation and Usage

- **Installation:**
  - Carefully read the installation manual provided with the product.
  - Ensure the mounting surface is clean and dry before installation.
  - Use the appropriate tools to secure the scope to the rifle, following the specifications for torque settings.
- **Usage:**
  - Adjust the magnification and focus before taking a shot.
  - Always check the elevation and windage adjustments prior to use.
  - Do not exceed the maximum magnification of 27x; this may lead to distortion or damage.

- Maintain a proper shooting stance and ensure a clear line of sight when aiming.

- **Maintenance:**

- Clean the lenses with a soft, lintfree cloth. Avoid using abrasive materials.
- Store the product in a dry, cool place when not in use.
- Regularly check for any signs of wear or damage.

## **Disposal Instructions**

- **Environmental Considerations:**

- Dispose of the product in accordance with local regulations for electronic waste.
- Do not dispose of the product in household waste.
- Consider recycling options available in your area.

## **Contact Information for Further Support**

For any further questions or concerns regarding the ZCO Zero Compromise Optics ZF 527X56, please refer to the contact information provided in the product packaging or on the manufacturer's website.

By following these safety instructions, you can ensure a safe and enjoyable experience with your ZCO Zero Compromise Optics ZF 527X56. Thank you for your attention to safety!
