

# **ZF 5-27X56 - ZC Optics ZF 5-27X56 - Black - MPCT1X - ccw - 10Mil tower - lock**

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

## **ZC527**

The ZC527 from Zero Compromise Optic sets a new standard for precision binoculars and is considered the benchmark in its class.

*Technical data:*

- Length of 387mm (15.24 inches) and a weight of only 1075g (37.9 ounces) for a compact and lightweight design
- 35 mil elevation adjustment and 21 mil windage adjustment for precise and reliable adjustments
- Generous field of view of 7m / 100 metres (21ft/100yds) for a first-class view and target tracking
- Excellent light transmission and exceptional resolution for best optical performance
- Also available in FDE (flat dark earth finish) for added versatility and style options

*Conclusion:* The ZC527 from Zero Compromise Optic redefines the boundaries of precision long-range optics, offering an unrivalled combination of performance, quality and design. With its compact design, precise adjustments and outstanding optical properties, it is the ideal choice for discerning shooters who demand only the best.

## Attributes

- Name: [ZC Optics ZF 5-27X56 - Black - MPCT1X - ccw - 10Mil tower - lock](#)
- Manufacturer: [ZCO Zero Compromise Optics](#)
- Product no.: BRD730058
- Mfr. No.: ZCO4000612
- Click Value: 0.1 Mil
- Color: Black
- Max Magnification: 27x
- Min. Magnification: 5x
- Objective Size: 56mm
- Reticle: MPCT1X
- Scope Tube Diameter: 36 mm
- Delivery weight: 3kg

# Safety Instruction Guide for ZCO Zero Compromise Optics ZF 527X56

## Introduction

Thank you for choosing the ZCO Zero Compromise Optics ZF 527X56. This guide provides essential safety instructions to ensure the safe and effective use of your optical device. Please read this guide carefully before using the product.

## General Safety Guidelines

- **Product Safety:** Ensure that the ZF 527X56 is used according to the instructions provided. This product is designed for precision and safety when used appropriately.
- **Hazard Identification:** Be aware of potential hazards associated with the use of optical devices, including but not limited to:
  - Eye strain from prolonged use.
  - Risk of dropping or mishandling the product, which may lead to injury or damage.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. In the event of a recall, follow the instructions provided for returning or exchanging the product.
- **Online Shopping Safety:** If purchased online, ensure that the retailer complies with safety standards and offers protections similar to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors to prevent accidents.
- **EU Contact Point:** For any safety inquiries, please refer to the manufacturer's contact information available with your purchase.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on safety notices related to this product.

## Specific Safety Precautions for Use

- **Eye Protection:** Always ensure that your eyes are adequately protected when using the optical device, especially when observing bright objects.
- **Stable Positioning:** Use the product in a stable position to avoid dropping or losing control of the device.
- **Avoid Direct Sunlight:** Do not point the optical device directly at the sun or other bright light sources to prevent damage to your vision and the device itself.
- **Regular Inspection:** Check the device regularly for any signs of wear or damage. Do not use the product if it appears to be compromised.
- **Adjustments:** Make adjustments carefully and avoid overtightening any components, as this may lead to damage.

## Instructions for Installation and Usage

- **Installation:**

1. **Mounting:** Ensure the device is securely mounted on your rifle scope rail. Follow the manufacturer's instructions for proper mounting techniques.
2. **Leveling:** Level the scope properly to ensure accurate aiming and adjustments.

- **Usage:**

1. **Adjusting Magnification:** Rotate the magnification ring to adjust the zoom level between 5x and 27x as needed.

2. **Elevation and Windage Adjustments:** Use the 35 mil elevation and 21 mil windage adjustments for precise targeting. Make adjustments slowly to avoid overshooting.
3. **Field of View:** Be mindful of the generous field of view (7m / 100m) when tracking targets.
4. **Light Conditions:** Use the scope in appropriate lighting conditions for optimal performance. Ensure the lens is clean and free from obstructions.

## Disposal Instructions

- **Environmental Considerations:** Dispose of the product in accordance with local regulations. Do not dispose of optical devices in regular household waste.
- **Recycling:** If applicable, recycle components of the product at designated recycling facilities to minimize environmental impact.

## Contact Information for Further Support

For any questions or concerns regarding the ZCO Zero Compromise Optics ZF 527X56, please refer to the contact information provided at the time of purchase. Ensure you have your product details handy for efficient support.

Thank you for your attention to safety. By following these guidelines, you can maximize the performance of your ZCO Zero Compromise Optics ZF 527X56 while ensuring safe usage.
