

ZF 5-27X56 - ZC Optics ZF 5-27X56 - Black - MPCT2 - ccw - 10Mil tower - no lock

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

ZC527

The ZC527 from Zero Compromise Optic sets a new standard for precision binoculars and is considered the benchmark in its class.

Technical data:

- Length of 387mm (15.24 inches) and a weight of only 1075g (37.9 ounces) for a compact and lightweight design
- 35 mil elevation adjustment and 21 mil windage adjustment for precise and reliable adjustments
- Generous field of view of 7m / 100 metres (21ft/100yds) for a first-class view and target tracking
- Excellent light transmission and exceptional resolution for best optical performance
- Also available in FDE (flat dark earth finish) for added versatility and style options

Conclusion: The ZC527 from Zero Compromise Optic redefines the boundaries of precision long-range optics, offering an unrivalled combination of performance, quality and design. With its compact design, precise adjustments and outstanding optical properties, it is the ideal choice for discerning shooters who demand only the best.

ZCO Zero Compromise Optics ZF 527X56 Safety Instruction Guide

Introduction

Thank you for choosing the ZCO Zero Compromise Optics ZF 527X56. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. It is important to follow these instructions carefully to maximize performance and minimize risks.

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Ensure that the product is suitable for your intended use, especially for longrange shooting.
- Inspect the product before each use to ensure it is in good condition.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe product conditions to local authorities or the manufacturer.
- Stay informed about product recalls by checking the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Handling:** Always handle the optics with care. Avoid dropping or subjecting the product to strong impacts.
- **Environment:** Use the product in appropriate weather conditions. Extreme temperatures, humidity, or exposure to water can affect performance.
- **Maintenance:** Regularly clean the optics with a soft cloth. Avoid using harsh chemicals or abrasive materials.
- **Mounting:** Ensure that the scope is properly mounted to the firearm according to the manufacturer's specifications.
- **Adjustments:** Make all adjustments while the firearm is pointed in a safe direction. Never look through the scope while making adjustments unless the firearm is pointed safely.

Instructions for Installation and Usage

1. Installation:

- Select a suitable mounting location on your firearm.
- Use appropriate rings and bases for the scope tube diameter of 36 mm.
- Tighten all screws securely but avoid overtightening, which may damage the scope or firearm.

2. Usage:

- Before using the scope, ensure that it is properly zeroed to your specific firearm.
- Adjust the magnification from 5x to 27x as needed, ensuring that the target is in focus.
- Use the elevation adjustment (35 mil) and windage adjustment (21 mil) for precise targeting.
- Maintain a proper shooting stance and ensure a clear line of sight to your target.

3. Safety Checks:

- Always check that the firearm is unloaded before handling or adjusting the scope.
- Ensure that the area is clear of people and obstacles before taking aim.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of electronic components in regular waste. Check for designated electronic waste disposal facilities in your area.
- If the product is damaged beyond repair, ensure that it is rendered unusable before disposal.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to the manufacturer's website or customer support resources. It is essential to have access to assistance for any concerns related to the use of the ZCO Zero Compromise Optics ZF 527X56.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your ZCO Zero Compromise Optics ZF 527X56. Thank you for your attention to safety and responsible use.
