# Safety Instruction Guide for ZCO Zero Compromise Optics ZF 527X56

## Introduction

Thank you for choosing the ZCO Zero Compromise Optics ZF 527X56. This product is designed for precision and performance in longrange shooting. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always handle the optic with care to avoid damage.
- Ensure the product is used only for its intended purpose.
- Keep the optic out of reach of children and vulnerable individuals.
- Regularly inspect the optic for any signs of damage or wear.
- If you notice any defects or abnormalities, discontinue use immediately and seek assistance.
- Follow all local laws and regulations regarding the use of optical devices.

## Specific Safety Precautions for Use

- Do not look directly at the sun through the optic, as this can cause serious eye damage.
- Ensure that the optic is securely mounted to your firearm before use.
- Avoid using the optic in extreme weather conditions, which may impair its functionality.
- Use protective lens covers when the optic is not in use to prevent scratches and dust accumulation.
- Be aware of your surroundings and ensure a clear line of sight when aiming.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure you have the appropriate mounting rings for your firearm.
- Align the optic with the mounting base on your firearm.
- Secure the optic using the provided screws, ensuring it is tightly fastened but avoiding overtightening, which may damage the optic.
- Check the alignment of the reticle and make adjustments as necessary.

### 2. Usage:

- Adjust the magnification by rotating the magnification ring to your desired level, between 5x and 27x.
- Use the elevation and windage turrets to make precise adjustments. Each click represents a change of 0.1 Mil.
- Maintain a proper shooting position to ensure stability and accuracy.
- After use, clean the lenses with a soft, dry cloth to maintain clarity.

## Disposal Instructions

- When disposing of the optic, follow local regulations for electronic waste and hazardous materials.
- Do not throw the optic in regular trash. Instead, take it to a designated ewaste recycling facility.
- Remove batteries, if applicable, and dispose of them according to local battery disposal guidelines.

## Contact Information for Further Support

For any safety inquiries or further assistance regarding the ZCO Zero Compromise Optics ZF 527X56, please refer to the manufacturer's contact information, which can be found in the product packaging or on the manufacturer's website.

## Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your ZCO Zero Compromise Optics ZF 527X56. Always prioritize safety and adhere to the guidelines provided. Thank you for choosing ZCO, and happy shooting!
