# Safety Instruction Guide for ZCO Zero Compromise Optics ZF 527X56

## Introduction

Thank you for choosing the ZCO Zero Compromise Optics ZF 527X56. This guide provides important safety instructions to ensure the safe use of your product. Please read this guide carefully before using the optics and keep it for future reference.

## General Safety Guidelines

- Ensure that all users are familiar with the operation and safety features of the ZF 527X56.
- Always handle the optic with care to avoid damage.
- Use the product only for its intended purpose as a longrange optical scope.
- Store the optic in a dry, cool place when not in use.
- Regularly check for any signs of wear or damage before use.
- Follow all local laws and regulations regarding the use of optical devices.

## Specific Safety Precautions for Use

- Do not look directly at the sun through the optic, as this can cause permanent eye damage.
- Avoid using the optic in extreme weather conditions that may affect visibility or functionality.
- Ensure that the optic is securely mounted to your firearm before use.
- Be aware of your surroundings and ensure a clear line of sight when using the optic.
- Keep the optic out of reach of children and unauthorized users.
- If you notice any malfunctions or irregularities, cease use immediately and contact a qualified technician.

## Instructions for Installation and Usage

### Installation

#### 1. Mounting the Optic:

- Select a suitable mounting base compatible with your firearm.
- Ensure the mounting base is securely attached to the firearm.
- Align the ZF 527X56 optic with the mounting base and tighten the screws securely but do not overtighten.

#### 2. Adjusting the Optic:

- Use the elevation and windage adjustments to zero the optic according to your shooting preferences.
- Make small adjustments and test the settings at a safe shooting range.

### Usage

#### 1. Focusing the Reticle:

- Adjust the ocular lens to achieve a clear reticle image.
- Ensure the reticle is in sharp focus before aiming.

#### 2. Adjusting Magnification:

- Rotate the magnification ring to set the desired level of zoom from 5x to 27x.
- Ensure the image remains clear and stable at the chosen magnification.

### **3. Field of View:**

- Utilize the generous field of view for better target tracking and acquisition.
- Practice using the optic in various lighting conditions to familiarize yourself with its performance.

## **Disposal Instructions**

- Dispose of the ZF 527X56 in accordance with local regulations regarding electronic waste and optical devices.
- Remove any batteries (if applicable) and dispose of them separately at designated recycling points.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or support, please refer to the contact information provided by your retailer or manufacturer. It is essential to have access to assistance for any concerns regarding the ZF 527X56.

Thank you for prioritizing safety and for choosing ZCO Zero Compromise Optics. Enjoy your experience with the ZF 527X56 and always practice safe handling and usage.
