ZC527

The ZC527 from Zero Compromise Optic sets a new standard for precision binoculars and is considered the benchmark in its class.

Technical data:

- Length of 387mm (15.24 inches) and a weight of only 1075g (37.9 ounces) for a compact and lightweight design
- 35 mil elevation adjustment and 21 mil windage adjustment for precise and reliable adjustments
- Generous field of view of 7m / 100 metres (21ft/100yds) for a first-class view and target tracking
- Excellent light transmission and exceptional resolution for best optical performance
- Also available in FDE (flat dark earth finish) for added versatility and style options

Conclusion: The ZC527 from Zero Compromise Optic redefines the boundaries of precision long-range optics, offering an unrivalled combination of performance, quality and design. With its compact design, precise adjustments and outstanding optical properties, it is the ideal choice for discerning shooters who demand only the best.

ZCO Zero Compromise Optics ZF 527X56

Consumer Safety Instruction Guide

Introduction

Thank you for choosing the ZCO Zero Compromise Optics ZF 527X56. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your optics. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Regularly inspect the product for any signs of damage or wear.
- Do not use the product if it is damaged or malfunctioning.
- Keep the product out of reach of children and vulnerable individuals.
- Be aware of your surroundings and ensure that you are in a safe environment when using the product.
- Follow all applicable laws and regulations regarding the use of optics in your area.

Specific Safety Precautions for Use

- Always use the optics in a stable position to avoid accidents.
- Avoid looking directly at the sun through the optics, as this can cause severe eye damage.
- Do not attempt to disassemble or modify the product, as this may compromise its safety and performance.
- Use the product only for its intended purpose, which is to assist in observing distant objects.
- Ensure that the product is securely mounted to prevent it from falling or being dislodged during use.

Instructions for Installation and Usage

- Before installation, ensure that you have all necessary components and tools.
- Mounting the Optics:
 - Choose a suitable mounting location on your firearm, ensuring it is secure.
 - Follow the manufacturer's guidelines for mounting the optics, including torque specifications.
 - Confirm that the scope is level and aligned with the firearm's bore.
- Adjusting the Optics:
 - Use the elevation and windage adjustments to align the optics with your target.
 - Make adjustments in small increments, testing the alignment after each adjustment.
- Using the Optics:
 - Adjust the magnification to the desired level based on your observation needs.
 - Use the reticle to aim accurately at your target.
 - Maintain a proper shooting stance and ensure a clear line of sight to your target.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and hazardous materials.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the ZCO Zero Compromise Optics ZF 527X56, please refer to the manufacturer's contact information provided in the product packaging or manual.

Conclusion

By following these safety instructions and guidelines, you can ensure that your ZCO Zero Compromise Optics ZF 527X56 is used safely and effectively. Always prioritize safety and compliance with local laws when using your optics. Thank you for choosing ZCO, and enjoy your experience with our highquality optics.
