

# ZF 5-27X56 - ZC Optics ZF 5-27X56 - Black - Tremor 3, CCW - 10Mil tower - no lock

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

## ZC527

The ZC527 from Zero Compromise Optic sets a new standard for precision binoculars and is considered the benchmark in its class.

### *Technical data:*

- Length of 387mm (15.24 inches) and a weight of only 1075g (37.9 ounces) for a compact and lightweight design
- 35 mil elevation adjustment and 21 mil windage adjustment for precise and reliable adjustments
- Generous field of view of 7m / 100 metres (21ft/100yds) for a first-class view and target tracking
- Excellent light transmission and exceptional resolution for best optical performance
- Also available in FDE (flat dark earth finish) for added versatility and style options

*Conclusion:* The ZC527 from Zero Compromise Optic redefines the boundaries of precision long-range optics, offering an unrivalled combination of performance, quality and design. With its compact design, precise adjustments and outstanding optical properties, it is the ideal choice for discerning shooters who demand only the best.

# Safety Instruction Guide for ZCO Zero Compromise Optics ZF 527X56

## Introduction

Thank you for choosing the ZCO Zero Compromise Optics ZF 527X56. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before using the product to maximize your safety and performance.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear before use.
- If the product is damaged or malfunctions, cease use immediately and contact the manufacturer for guidance.
- Be aware of your surroundings when using the product to avoid accidents or injuries.
- Follow all local laws and regulations regarding the use of optical devices.

## Specific Safety Precautions for Use

- Always use the product in a safe environment, free from distractions and hazards.
- Do not point the scope at any person or animal.
- Avoid looking directly at the sun through the scope, as this can cause permanent eye damage.
- Ensure that the mounting system is secure and properly installed to prevent accidents during use.
- Use protective gear, such as eye protection, when using the product in environments where debris or projectiles may be present.
- Be mindful of your physical position and stability when using the product to maintain control.

## Instructions for Installation and Usage

### 1. Installation:

- Carefully read the manufacturer's instructions for mounting the scope on your rifle.
- Ensure that the mounting rings are compatible with the scope tube diameter of 36 mm.
- Securely attach the scope to the rifle using the recommended torque settings to prevent movement during use.

### 2. Usage:

- Adjust the magnification by rotating the magnification ring to the desired level between 5x and 27x.
- Use the elevation and windage turrets to make precise adjustments for optimal targeting.
- Check the reticle alignment to ensure proper targeting.
- Maintain a firm grip on the rifle and ensure a stable shooting position before taking a shot.

## Disposal Instructions

- Dispose of the product according to local regulations for electronic and optical devices.
- Do not dispose of the product in general waste; instead, use designated recycling facilities if available.
- Remove batteries (if applicable) and dispose of them separately in accordance with local battery disposal regulations.

## **Contact Information for Further Support**

For any safety inquiries, product support, or to report unsafe products, please refer to the manufacturer's contact details provided with your product packaging or visit the manufacturer's official website.

## **Conclusion**

Your safety is our priority. By following these guidelines, you can ensure a safe and enjoyable experience with your ZCO Zero Compromise Optics ZF 527X56. Always stay informed about product safety and updates, and do not hesitate to seek help if needed. Thank you for your attention to safety.
