

ZF 5-27X56 - ZC Optics ZF 5-27X56 - FDE - Tremor 3, CCW - 10Mil tower - no lock

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

ZC527

The ZC527 from Zero Compromise Optic sets a new standard for precision binoculars and is considered the benchmark in its class.

Technical data:

- Length of 387mm (15.24 inches) and a weight of only 1075g (37.9 ounces) for a compact and lightweight design
- 35 mil elevation adjustment and 21 mil windage adjustment for precise and reliable adjustments
- Generous field of view of 7m / 100 metres (21ft/100yds) for a first-class view and target tracking
- Excellent light transmission and exceptional resolution for best optical performance
- Also available in FDE (flat dark earth finish) for added versatility and style options

Conclusion: The ZC527 from Zero Compromise Optic redefines the boundaries of precision long-range optics, offering an unrivalled combination of performance, quality and design. With its compact design, precise adjustments and outstanding optical properties, it is the ideal choice for discerning shooters who demand only the best.

Safety Instruction Guide for ZCO Zero Compromise Optics ZF 527X56

Introduction

Thank you for choosing the ZCO Zero Compromise Optics ZF 527X56. This guide provides essential safety information to ensure the safe and effective use of your optics. Please read this manual carefully before use to understand the proper handling and care of the product.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the ZF 527X56 by following all instructions provided in this guide. This product is designed for precision shooting and should only be used for its intended purpose.
- **Enhanced Recalls:** Regularly check for any recall notices regarding this product. If a recall is issued, follow the instructions provided to return or remedy the product.
- **Online Shopping:** If purchased online, ensure that the retailer complies with all safety requirements. Verify that your purchase includes the necessary safety instructions.
- **Special Consumer Focus:** This product is not intended for children. Keep out of reach of children to prevent accidents.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Stay informed about any updates on product safety through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Handling:** Always handle the optics with care. Avoid dropping or subjecting the product to strong impacts.
- **Mounting:** Ensure that the scope is mounted securely on the rifle. Follow the manufacturer's guidelines for mounting to prevent accidents.
- **Sighting:** When adjusting the sight, do so with the rifle pointed in a safe direction. Always be aware of your surroundings.
- **Cleaning:** Use only recommended cleaning materials. Avoid using abrasive substances that could damage the optic's surface.
- **Storage:** Store the optics in a dry, cool place. Use a protective case to prevent damage from dust and moisture.
- **Usage:** Do not use the optics in conditions that exceed their specified limits. For example, avoid exposure to extreme temperatures or humidity.

Instructions for Installation and Usage

1. Installation:

- Ensure you have the correct mounting rings compatible with the ZF 527X56.
- Secure the scope to the rifle's rail system using the appropriate tools.
- Make sure the scope is level and aligned with the rifle's barrel.

2. Usage:

- Adjust the magnification by rotating the magnification ring, ensuring the desired level is set.
- Use the elevation and windage turrets to make precise adjustments for accurate shooting.
- Always ensure that the target is within a safe range and that the area behind the target is clear before firing.

Disposal Instructions

- Dispose of the product in accordance with local regulations. Do not dispose of optics in regular household waste.
- If the product is no longer usable, consider recycling components where possible to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the ZCO Zero Compromise Optics ZF 527X56, please refer to the contact details provided by your retailer or the manufacturer's website. It is essential to maintain access to support for any safety inquiries or product issues.

Thank you for your attention to these safety guidelines. By following these instructions, you can ensure a safe and enjoyable experience with your ZCO Zero Compromise Optics ZF 527X56.
