

ZF 5-27X56 - ZC Optics ZF 5-27X56 - FDE - Tremor 3, CCW - 10Mil tower - lock

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

ZC527

The ZC527 from Zero Compromise Optic sets a new standard for precision binoculars and is considered the benchmark in its class.

Technical data:

- Length of 387mm (15.24 inches) and a weight of only 1075g (37.9 ounces) for a compact and lightweight design
- 35 mil elevation adjustment and 21 mil windage adjustment for precise and reliable adjustments
- Generous field of view of 7m / 100 metres (21ft/100yds) for a first-class view and target tracking
- Excellent light transmission and exceptional resolution for best optical performance
- Also available in FDE (flat dark earth finish) for added versatility and style options

Conclusion: The ZC527 from Zero Compromise Optic redefines the boundaries of precision long-range optics, offering an unrivalled combination of performance, quality and design. With its compact design, precise adjustments and outstanding optical properties, it is the ideal choice for discerning shooters who demand only the best.

Attributes

- Name: [ZC Optics ZF 5-27X56 - FDE - Tremor 3, CCW - 10Mil tower - lock](#)
- Manufacturer: [ZCO Zero Compromise Optics](#)
- Product no.: BRD730072
- Mfr. No.: ZCO4000619
- Click Value: 0.1 Mil
- Color: Flat Dark Earth, FDE
- Max Magnification: 27x
- Min. Magnification: 5x
- Objective Size: 56mm
- Reticle: Tremor 3, CCW
- Scope Tube Diameter: 36 mm
- Delivery weight: 3kg

Safety Instruction Guide for ZCO Zero Compromise Optics ZF 527X56

Introduction

Thank you for choosing the ZCO Zero Compromise Optics ZF 527X56. This guide provides essential safety instructions and guidelines for the proper use, installation, and disposal of your product. It is crucial to follow these instructions to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a precision optical device.
- Always inspect the product for any visible damage before use. Do not use if damaged.
- Keep the product out of reach of children and pets to prevent accidents.
- Store the product in a safe, dry place when not in use.
- Be aware of your surroundings when using the product to avoid accidents or injuries.
- Report any unsafe products or incidents to the relevant authorities immediately.
- Check for updates regarding product recalls on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not look directly at the sun through the optical device, as this can cause severe eye damage.
- Use the product only within the specified magnification range (5x to 27x) to ensure optimal performance and safety.
- Avoid exposing the product to extreme temperatures or harsh environmental conditions.
- Handle the product with care to avoid dropping or damaging it.
- Use protective caps when the product is not in use to prevent lens scratches and dust accumulation.
- Ensure that the product is mounted securely on your firearm to prevent accidents during use.

Instructions for Installation and Usage

Installation Instructions

1. Mounting the Scope:

- Select a compatible mounting base for your firearm.
- Align the scope tube with the mounting base and secure it using the provided screws.
- Ensure that the scope is level and properly aligned with the firearm.

2. Adjusting the Scope:

- Use the elevation and windage adjustments to zero in your scope.
- Elevation adjustment: 35 mils.
- Windage adjustment: 21 mils.
- Make adjustments gradually and test for accuracy after each adjustment.

Usage Instructions

1. Focusing the Scope:

- Adjust the eyepiece to achieve a clear image.
- Use the magnification ring to set the desired level of zoom (5x to 27x).

2. Target Acquisition:

- Position yourself in a stable shooting stance.
- Look through the scope and locate your target.
- Make necessary adjustments to elevation and windage for accurate aiming.

3. PostUse Care:

- After use, clean the lenses with a soft, lintfree cloth to remove dust and fingerprints.
- Store the product in a protective case to maintain its condition.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and optics.
- Do not discard the product in regular household waste.
- If the product is no longer functional, consider recycling options or return it to the manufacturer if applicable.

Contact Information for Further Support

For any safety inquiries or support regarding your ZCO Zero Compromise Optics ZF 527X56, please reach out to the designated EU contact point provided in the product documentation.

By following these safety instructions, you can ensure a safe and enjoyable experience with your ZCO Zero Compromise Optics ZF 527X56. Thank you for your attention to these guidelines, and enjoy your precision optics.
