

ZF 5-27X56 - ZC Optics ZF 5-27X56 - Black - Tremor 5, CCW - 10Mil tower - no lock

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

ZC527

The ZC527 from Zero Compromise Optic sets a new standard for precision binoculars and is considered the benchmark in its class.

Technical data:

- Length of 387mm (15.24 inches) and a weight of only 1075g (37.9 ounces) for a compact and lightweight design
- 35 mil elevation adjustment and 21 mil windage adjustment for precise and reliable adjustments
- Generous field of view of 7m / 100 metres (21ft/100yds) for a first-class view and target tracking
- Excellent light transmission and exceptional resolution for best optical performance
- Also available in FDE (flat dark earth finish) for added versatility and style options

Conclusion: The ZC527 from Zero Compromise Optic redefines the boundaries of precision long-range optics, offering an unrivalled combination of performance, quality and design. With its compact design, precise adjustments and outstanding optical properties, it is the ideal choice for discerning shooters who demand only the best.

Safety Instruction Guide for ZCO Zero Compromise Optics ZF 527X56

Introduction

Thank you for choosing the ZCO Zero Compromise Optics ZF 527X56. This guide provides essential safety instructions to ensure the safe use and handling of your product. It is important to follow these guidelines to maximize your safety and the performance of the optics.

General Safety Guidelines

- Always inspect the product before use to ensure it is free from damage.
- Use the product only for its intended purpose as specified by the manufacturer.
- Keep the product out of reach of children and vulnerable individuals.
- Be aware of your surroundings when using the product to avoid accidents.
- Report any unsafe conditions or product defects to the appropriate authorities.
- Regularly check for product recalls and safety updates on the EU Safety Gate platform.

Specific Safety Precautions for Use

- Do not use the product if it appears damaged or malfunctioning.
- Avoid looking directly at the sun through the optics, as this can cause serious eye damage.
- Ensure that the mounting system is secure before using the product.
- Use the product in accordance with local laws and regulations regarding firearms and optics.
- Store the product in a safe and dry place when not in use to prevent damage.

Instructions for Installation and Usage

Installation

1. Select a suitable mounting location on your firearm that is compatible with the ZF 527X56.
2. Carefully attach the scope to the mounting base, ensuring it is aligned correctly.
3. Tighten the mounting screws securely but do not overtighten, as this may damage the scope.
4. Adjust the scope to your desired eye relief and ensure it is level.

Usage

1. Before using the optics, familiarize yourself with the reticle and adjustments.
2. Adjust the magnification from 5x to 27x as needed for your shooting conditions.
3. Use the elevation and windage adjustments to zero the scope according to your shooting preferences.
4. Always maintain a proper shooting stance and ensure the area is clear before firing.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and optics.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for information on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the safety or use of your ZCO Zero Compromise Optics ZF 527X56, please reach out to the designated EU contact point for assistance.

Thank you for prioritizing safety and performance with your new optics. Enjoy your shooting experience responsibly!
