

# ZF 5-27X56 - ZC Optics ZF 5-27X56 - Black - Tremor 5, CCW - 10Mil tower - lock

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

## ZC527

The ZC527 from Zero Compromise Optic sets a new standard for precision binoculars and is considered the benchmark in its class.

### *Technical data:*

- Length of 387mm (15.24 inches) and a weight of only 1075g (37.9 ounces) for a compact and lightweight design
- 35 mil elevation adjustment and 21 mil windage adjustment for precise and reliable adjustments
- Generous field of view of 7m / 100 metres (21ft/100yds) for a first-class view and target tracking
- Excellent light transmission and exceptional resolution for best optical performance
- Also available in FDE (flat dark earth finish) for added versatility and style options

*Conclusion:* The ZC527 from Zero Compromise Optic redefines the boundaries of precision long-range optics, offering an unrivalled combination of performance, quality and design. With its compact design, precise adjustments and outstanding optical properties, it is the ideal choice for discerning shooters who demand only the best.

# ZCO Zero Compromise Optics ZF 527X56 Safety Instruction Guide

## Introduction

Thank you for choosing the ZCO Zero Compromise Optics ZF 527X56. This guide provides essential safety information, usage instructions, and disposal guidelines to ensure safe and effective operation of your product. Please read this manual carefully before use.

## General Safety Guidelines

- Ensure safe use of the ZF 527X56 by following all instructions provided in this guide.
- Be aware of potential hazards associated with the use of optical equipment, such as improper handling or misuse.
- If you are unsure about any aspect of the product, consult a qualified professional for assistance.
- Always keep the product out of reach of children and vulnerable individuals.
- Regularly check for updates or recalls related to the product on the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Do not look directly at the sun through the scope, as this can cause permanent eye damage.
- Avoid using the scope in extreme weather conditions, such as heavy rain or snow, to prevent damage.
- Handle the scope with care and avoid dropping or striking it against hard surfaces.
- Ensure that all adjustments are made securely to avoid accidental changes during use.
- Always store the scope in a protective case when not in use to prevent scratches and damage.

## Instructions for Installation and Usage

### Installation

- Choose a stable mounting platform, such as a rifle or tripod, that is compatible with the ZF 527X56.
- Securely attach the scope to the mounting platform using the provided mounting rings or base.
- Ensure the scope is level and properly aligned with the barrel or optical axis of the device.

### Usage

- Adjust the magnification by rotating the magnification ring until the desired level is achieved (5x to 27x).
- Utilize the elevation and windage adjustments to zero in on your target:
  - Elevation Adjustment: Up to 35 mils
  - Windage Adjustment: Up to 21 mils
- Check the reticle for clarity and make necessary adjustments to focus.
- Maintain a proper shooting position to ensure stability and accuracy.

## Disposal Instructions

- Dispose of the ZF 527X56 in accordance with local regulations for electronic waste and optical devices.
- Do not dispose of the product in regular household waste.
- Consider recycling options or return the product to the retailer for proper disposal.

## Contact Information for Further Support

For any safety inquiries or additional support regarding the ZCO Zero Compromise Optics ZF 527X56, please refer to the manufacturer's website or contact their customer support directly.

Thank you for your attention to these safety guidelines. Enjoy your ZCO Zero Compromise Optics ZF 527X56 responsibly and safely.
