ZC840

Our engineers have set a new standard for magnification, imaging performance and mechanical precision with the ZC840.

This optical system offers outstanding performance and enables a perfect image even in the higher magnification range.

- Magnification: Over 30x for exceptional detail accuracy
- Top optical values: Outstanding contrast and resolution for a brilliant image
- Elevation adjustment range: 28 mils for precise settings over long distances
- Field of view: From 4.6m/100m to 1.0m/100m at 40x magnification for optimum target acquisition and tracking

With its impressive performance range, the ZC840 is the ideal choice for shooters who demand the best from their optics and are looking for an unrivalled shooting experience.

Attributes

- Name: [ZC OPTIC ZF 8-40X56 - Black - MPCT2X - ccw - 10Mil tower - no lock](#)
- Manufacturer: [ZCO Zero Compromise Optics](#)
- Product no.: BRD730083
- Mfr. No.: ZCO4000600
- Click Value: 0.1 MIL
- Color: Black
- Magnification: 40x
- Max Magnification: 40x
- Min. Magnification: 8x
- Objective Size: 56mm
- Reticle: MPCT 2X
- Scope Tube Diameter: 36mm
- Delivery weight: 5kg

ZC OPTIC ZF 840X56 Safety Instruction Guide

Introduction

Thank you for choosing the ZC OPTIC ZF 840X56. This guide provides essential safety instructions and usage guidelines to ensure your experience with this product is safe and enjoyable. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure the product is used in accordance with the manufacturer's instructions.
- Always handle the optical system with care to prevent damage or injury.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not expose the optical system to extreme temperatures or humidity.
- Avoid dropping or striking the product, as this may cause internal damage.
- When adjusting the magnification, do so gently to prevent mechanical failure.
- Use the product only for its intended purpose, which is for shooting and target acquisition.
- Be aware of your surroundings and ensure a safe shooting environment when using the product.

Instructions for Installation and Usage

1. Installation:

- Mount the ZC OPTIC ZF 840X56 on a compatible rifle scope mount.
- Ensure the mounting is secure and that the scope is aligned properly with the rifle.
- Tighten all screws and fasteners according to the manufacturer's specifications.

2. Usage:

- Adjust the magnification by rotating the magnification ring smoothly.
- Use the elevation and windage adjustments to zero the scope as needed.
- Always check the field of view before taking a shot to ensure safe target acquisition.
- After use, cover the optical system with a protective lens cap to prevent dust and damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste.
- Do not dispose of the product in household waste bins.
- If the product is damaged beyond repair, consult with local waste management services for proper disposal methods.

Contact Information for Further Support

For any inquiries or support regarding the ZC OPTIC ZF 840X56, please refer to the manufacturer's official website or customer service channels.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the ZC OPTIC ZF 840X56!
