ZC840

Our engineers have set a new standard for magnification, imaging performance and mechanical precision with the ZC840.

This optical system offers outstanding performance and enables a perfect image even in the higher magnification range.

- Magnification: Over 30x for exceptional detail accuracy
- Top optical values: Outstanding contrast and resolution for a brilliant image
- Elevation adjustment range: 28 mils for precise settings over long distances
- Field of view: From 4.6m/100m to 1.0m/100m at 40x magnification for optimum target acquisition and tracking

With its impressive performance range, the ZC840 is the ideal choice for shooters who demand the best from their optics and are looking for an unrivalled shooting experience.

Attributes

- Name: [ZC OPTIC ZF 8-40X56 - Black - MPCT2X - ccw - 10Mil tower - lock](#)
- Manufacturer: [ZCO Zero Compromise Optics](#)
- Product no.: BRD730084
- Mfr. No.: ZCO4000601
- Click Value: 0.1 MIL
- Color: Black
- Magnification: 40x
- Max Magnification: 40x
- Min. Magnification: 8x
- Objective Size: 56mm
- Reticle: MPCT 2X
- Scope Tube Diameter: 36mm
- Delivery weight: 5kg

ZC OPTIC ZF 840X56 Safety Instruction Guide

Introduction

Thank you for choosing the ZC OPTIC ZF 840X56. This guide provides essential safety information to ensure safe usage and optimal performance of your optical device. Please read and follow these instructions carefully to avoid potential hazards and to enhance your shooting experience.

General Safety Guidelines

- Always use the product as intended and according to the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product regularly for any signs of damage or wear.
- Avoid using the product in extreme weather conditions, such as heavy rain or snow, which may affect performance.
- Do not attempt to disassemble or modify the product, as this may lead to safety risks and void the warranty.
- If you notice any unusual behavior or performance issues, cease use immediately and consult a professional.

Specific Safety Precautions for Use

- **Magnification Caution:** The ZC OPTIC ZF 840X56 has a high magnification capability (up to 40x). Use caution when viewing objects at this magnification to avoid eye strain.
- **Reticle Adjustment:** Ensure that the reticle is properly calibrated before use to maintain accuracy.
- **Elevation Adjustment:** Be mindful of the elevation adjustment range (28 mils) to avoid accidental misalignment during use.
- **Field of View Awareness:** The field of view ranges from 4.6m/100m to 1.0m/100m at 40x magnification. Be aware of your surroundings when aiming at distant targets.
- **Secure Mounting:** Ensure that the scope is securely mounted to your firearm to prevent accidents during use.

Instructions for Installation and Usage

1. Installation:

- Mount the scope on your firearm using appropriate rings and bases.
- Ensure that the scope is level and securely tightened to prevent movement during use.
- Check that all adjustments (elevation, windage) are functional before taking the product to the field.

2. Usage:

- Adjust the magnification to your desired level, starting from the minimum (8x) and increasing to the maximum (40x) as needed.
- Use the elevation and windage dials to make precise adjustments according to your shooting conditions.
- Always maintain a proper shooting stance and ensure that your target is in your field of view before taking a shot.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste.
- Remove any batteries (if applicable) and dispose of them separately in designated recycling bins.

- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any safety inquiries or support related to the ZC OPTIC ZF 840X56, please contact your local retailer or visit the manufacturer's website for more information.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your ZC OPTIC ZF 840X56. Always prioritize safety and responsible usage. Thank you for your attention to these important instructions.
