## **ZC840**

Our engineers have set a new standard for magnification, imaging performance and mechanical precision with the ZC840.

This optical system offers outstanding performance and enables a perfect image even in the higher magnification range.

- Magnification: Over 30x for exceptional detail accuracy
- Top optical values: Outstanding contrast and resolution for a brilliant image
- Elevation adjustment range: 28 mils for precise settings over long distances
- Field of view: From 4.6m/100m to 1.0m/100m at 40x magnification for optimum target acquisition and tracking

With its impressive performance range, the ZC840 is the ideal choice for shooters who demand the best from their optics and are looking for an unrivalled shooting experience.

## **Attributes**

- Name: [ZC OPTIC ZF 8-40X56 - FDE - MPCT2X - ccw - 10Mil tower - no lock](#)
- Manufacturer: [ZCO Zero Compromise Optics](#)
- Product no.: BRD730085
- Mfr. No.: ZCO4000602

- Click Value: 0.1 MIL
- Color: FDE
- Magnification: 40x
- Max Magnification: 40x
- Min. Magnification: 8x
- Objective Size: 56mm
- Reticle: MPCT 2X
- Scope Tube Diameter: 36mm
- Delivery weight: 5kg

# ZC OPTIC ZF 840X56 Safety Instruction Guide

## Introduction

Thank you for choosing the ZC OPTIC ZF 840X56. This optical system is designed for high performance and precision in shooting. To ensure your safety and the optimal use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions to avoid accidents and injuries.
- Ensure that the product is suitable for your intended use and complies with local laws and regulations.
- Regularly inspect the product for any signs of damage or wear. Do not use if damaged.
- Store the product in a safe place, out of reach of children and vulnerable individuals.
- Be aware of your surroundings and ensure that you are in a safe environment while using the product.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Magnification: The ZC840 offers magnification over 30x. Use caution when viewing distant objects, as they may appear closer than they are.
- Eye Protection: Always use appropriate eye protection when using optical devices. Do not look directly at the sun or any intense light source through the scope.
- Handling: Handle the product with care. Avoid dropping or knocking the scope as this may affect its performance.
- Environmental Conditions: Avoid using the product in extreme weather conditions (e.g., heavy rain, snow, or extreme heat) as this may cause damage.
- Cleaning: Use a soft, dry cloth to clean the lenses. Avoid using harsh chemicals or abrasive materials that could scratch or damage the lenses.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that the rifle or mounting platform is secure before attaching the scope.
- Use the appropriate mounts and tools as specified in the product manual to attach the scope to the rifle.
- Check that the scope is properly aligned and securely fastened.

### 2. Usage

- Adjust the magnification according to your needs, ranging from 8x to 40x.
- Use the elevation adjustment to set the desired height for your shooting conditions. The adjustment range is 28 mils.
- Always check the field of view before aiming to ensure that you have a clear line of sight.
- After use, store the scope in a protective case to prevent damage.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste.
- Do not throw the product in regular household waste. Instead, take it to a designated recycling or disposal facility.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please refer to the product packaging or the manufacturer's website for the appropriate contact details.

By following these safety instructions, you can ensure a safe and enjoyable experience with your ZC OPTIC ZF 840X56. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
