ZC840

Our engineers have set a new standard for magnification, imaging performance and mechanical precision with the ZC840.

This optical system offers outstanding performance and enables a perfect image even in the higher magnification range.

- Magnification: Over 30x for exceptional detail accuracy
- Top optical values: Outstanding contrast and resolution for a brilliant image
- Elevation adjustment range: 28 mils for precise settings over long distances
- Field of view: From 4.6m/100m to 1.0m/100m at 40x magnification for optimum target acquisition and tracking

With its impressive performance range, the ZC840 is the ideal choice for shooters who demand the best from their optics and are looking for an unrivalled shooting experience.

Attributes

- Name: [ZC OPTIC ZF 8-40X56 - FDE - MPCT2X - ccw - 10Mil tower - lock](#)
- Manufacturer: [ZCO Zero Compromise Optics](#)
- Product no.: BRD730086
- Mfr. No.: ZCO400603
- Click Value: 0.1 MIL
- Color: FDE
- Magnification: 40x
- Max Magnification: 40x
- Min. Magnification: 8x
- Objective Size: 56mm
- Reticle: MPCT 2X
- Scope Tube Diameter: 36mm
- Delivery weight: 5kg

ZC OPTIC ZF 840X56 Safety Instruction Guide

Introduction

Thank you for choosing the ZC OPTIC ZF 840X56. This optical system is designed to provide exceptional performance and clarity for your shooting needs. To ensure safe use and compliance with safety regulations, please carefully read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always handle the optic with care to avoid damage.
- Ensure that the optic is mounted securely before use.
- Use the product only for its intended purpose as described in the manual.
- Keep the product away from children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- If you notice any irregularities, discontinue use and seek assistance.

Specific Safety Precautions for Use

- **Magnification Caution:** The ZC OPTIC ZF 840X56 offers high magnification. Use caution when looking through the optic to avoid eye strain.
- **Environmental Conditions:** Avoid using the optic in extreme weather conditions (e.g., heavy rain, snow, or high humidity) that could affect performance.
- **Shooting Safety:** Always follow standard shooting safety protocols when using this optic in conjunction with firearms.
- **Secure Storage:** Store the optic in a safe and dry place when not in use to prevent damage.

Instructions for Installation and Usage

1. Installation:

- Ensure that the mounting surface is clean and free from debris.
- Align the scope tube with the mounting rings and secure tightly.
- Adjust the optic to your desired position and ensure it is level.

2. Usage:

- Adjust the magnification by rotating the magnification ring to the desired level (8x to 40x).
- Use the elevation and windage turrets to make precise adjustments as needed.
- Always check your field of view before taking a shot to ensure target acquisition.

3. Maintenance:

- Clean the lens with a soft, lintfree cloth to avoid scratches.
- Avoid using harsh chemicals or abrasive materials on the optic.
- Regularly check for loose screws and tighten them if necessary.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the optic in regular household waste.
- Consider recycling options for the materials used in the optic.

Contact Information for Further Support

For safety inquiries or support related to the ZC OPTIC ZF 840X56, please reach out to your local retailer or the manufacturer's customer service team.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your ZC OPTIC ZF 840X56. Thank you for your attention to these important safety measures.
