## **ZC840**

Our engineers have set a new standard for magnification, imaging performance and mechanical precision with the ZC840.

This optical system offers outstanding performance and enables a perfect image even in the higher magnification range.

- Magnification: Over 30x for exceptional detail accuracy
- Top optical values: Outstanding contrast and resolution for a brilliant image
- Elevation adjustment range: 28 mils for precise settings over long distances
- Field of view: From 4.6m/100m to 1.0m/100m at 40x magnification for optimum target acquisition and tracking

With its impressive performance range, the ZC840 is the ideal choice for shooters who demand the best from their optics and are looking for an unrivalled shooting experience.

## **Attributes**

- Name: [ZC OPTIC ZF 8-40X56 - Black - MPCT2X - ccw - 15Mil tower](#)
- Manufacturer: [ZCO Zero Compromise Optics](#)
- Product no.: BRD730087
- Mfr. No.: ZCO4000632
- Click Value: 0.1 MIL
- Color: Black
- Magnification: 40x
- Max Magnification: 40x
- Min. Magnification: 8x
- Objective Size: 56mm
- Reticle: MPCT 2X
- Scope Tube Diameter: 36mm
- Delivery weight: 5kg

# Safety Instruction Guide for ZC OPTIC ZF 840X56

## Introduction

Thank you for choosing the ZC OPTIC ZF 840X56. This highperformance optical system is designed for exceptional magnification and imaging performance. To ensure your safety and the optimal use of this product, please read and follow the guidelines outlined in this safety instruction guide.

## General Safety Guidelines

- Always handle the optical device with care to avoid damage.
- Ensure that the product is used in accordance with its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- If you notice any defects or malfunctions, discontinue use and seek assistance.

## Specific Safety Precautions for Use

- **Magnification Caution:** The ZC OPTIC ZF 840X56 offers high magnification levels. Be cautious when viewing objects at high magnification, as they may appear closer than they are.
- **Eye Protection:** Always use appropriate eye protection when using the scope in environments where debris or projectiles may be present.
- **Environmental Considerations:** Avoid using the product in extreme weather conditions, including heavy rain, snow, or high winds, which may affect performance and safety.
- **Proper Mounting:** Ensure that the scope is securely mounted to prevent it from becoming dislodged during use.

## Instructions for Installation and Usage

- **Installation:**
  1. Select a stable and secure mounting platform for the scope.
  2. Attach the scope securely to the mounting platform, ensuring that it is aligned correctly.
  3. Tighten all screws and fasteners to prevent movement during use.
- **Usage:**
  1. Adjust the magnification by turning the magnification dial to the desired level (8x to 40x).
  2. Use the elevation and windage adjustments to align the reticle with your target.
  3. Ensure a comfortable eye relief distance when aiming through the scope.
  4. Always check the field of view before taking a shot to ensure safety.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste.
- Do not dispose of the product in regular household waste.
- If the product contains batteries, ensure that they are removed and disposed of properly.

## Contact Information for Further Support

For any questions or concerns regarding the ZC OPTIC ZF 840X56, please refer to the manufacturer's website or customer support channels. Ensure you have the product details available for efficient assistance.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your ZC OPTIC

ZF 840X56. Thank you for your attention to these important guidelines.
