## **ZC840**

Our engineers have set a new standard for magnification, imaging performance and mechanical precision with the ZC840.

This optical system offers outstanding performance and enables a perfect image even in the higher magnification range.

- Magnification: Over 30x for exceptional detail accuracy
- Top optical values: Outstanding contrast and resolution for a brilliant image
- Elevation adjustment range: 28 mils for precise settings over long distances
- Field of view: From 4.6m/100m to 1.0m/100m at 40x magnification for optimum target acquisition and tracking

With its impressive performance range, the ZC840 is the ideal choice for shooters who demand the best from their optics and are looking for an unrivalled shooting experience.

## **Attributes**

- Name: [ZC OPTIC ZF 8-40X56 - Black - MPCT3X - ccw - 10Mil tower - no lock](#)
- Manufacturer: [ZCO Zero Compromise Optics](#)
- Product no.: BRD730088
- Mfr. No.: ZCO4000604
- Click Value: 0.1 MIL
- Color: Black
- Magnification: 40x
- Max Magnification: 40x
- Min. Magnification: 8x
- Objective Size: 56mm
- Reticle: MPCT 3X
- Scope Tube Diameter: 36mm
- Delivery weight: 5kg

# Safety Instruction Guide for ZC OPTIC ZF 840X56

## Introduction

Thank you for choosing the ZC OPTIC ZF 840X56. This guide provides essential safety information to ensure safe usage and optimal performance of your spotting scope. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the product is used in compliance with all safety regulations and guidelines.
- Always handle the scope with care to avoid damage and injury.
- Be aware of your surroundings when using the scope to avoid accidents.
- Regularly inspect the product for any signs of wear or damage.
- Store the scope in a safe, dry place when not in use.

## Specific Safety Precautions for Use

- **Magnification Caution:** The ZC OPTIC ZF 840X56 offers high magnification capabilities. Avoid pointing the scope at the sun or bright light sources, as this may cause permanent damage to your eyes.
- **Children Safety:** Keep the product out of reach of children. The optical components can be hazardous if misused.
- **Stability:** Ensure that the scope is mounted securely to prevent it from falling or being knocked over during use.
- **Environmental Conditions:** Avoid using the scope in extreme weather conditions that may affect its performance (e.g., heavy rain, snow, or extreme heat).

## Instructions for Installation and Usage

### 1. Mounting the Scope:

- Choose a stable and secure platform for mounting the scope.
- Use appropriate mounting rings and ensure they are tightened securely.
- Align the scope properly with the firearm or tripod.

### 2. Adjusting the Magnification:

- Rotate the magnification ring to select the desired level of magnification (8x to 40x).
- Ensure clarity of the image by adjusting the focus as necessary.

### 3. Using the Reticle:

- Familiarize yourself with the MPCT 3X reticle for effective target acquisition.
- Adjust the elevation and windage settings as needed for accurate shooting.

### 4. Field of View Management:

- Be aware of your field of view, which ranges from 4.6m/100m to 1.0m/100m at 40x magnification.
- Use this information to track moving targets effectively.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of optical components in regular household waste.

- Consider recycling options where available to minimize environmental impact.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please reach out to the designated EU contact point associated with this product.

By following these guidelines, you can ensure a safe and enjoyable experience with your ZC OPTIC ZF 840X56 spotting scope. Thank you for your attention to safety.
