## **ZC840**

Our engineers have set a new standard for magnification, imaging performance and mechanical precision with the ZC840.

This optical system offers outstanding performance and enables a perfect image even in the higher magnification range.

- Magnification: Over 30x for exceptional detail accuracy
- Top optical values: Outstanding contrast and resolution for a brilliant image
- Elevation adjustment range: 28 mils for precise settings over long distances
- Field of view: From 4.6m/100m to 1.0m/100m at 40x magnification for optimum target acquisition and tracking

With its impressive performance range, the ZC840 is the ideal choice for shooters who demand the best from their optics and are looking for an unrivalled shooting experience.

## **Attributes**

- Name: [ZC OPTIC ZF 8-40X56 - Black - Tremor 3, CCW - 10Mil tower - lock](#)
- Manufacturer: [ZCO Zero Compromise Optics](#)
- Product no.: BRD730093
- Mfr. No.: ZCO4000629
- Click Value: 0.1 MIL
- Color: Black
- Magnification: 40x
- Max Magnification: 40x
- Min. Magnification: 8x
- Objective Size: 56mm
- Reticle: Tremor 3, CCW
- Scope Tube Diameter: 36mm
- Delivery weight: 5kg

# ZC OPTIC ZF 840X56 Safety Instruction Guide

## Introduction

Thank you for choosing the ZC OPTIC ZF 840X56. This guide provides essential safety instructions to ensure safe and effective use of your product. Please read this manual carefully before using the product to understand the safety precautions and operational guidelines.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the spotting scope by following all instructions. This product complies with EU General Product Safety Regulations.
- **Enhanced Recalls:** Stay informed about any product recalls. If notified, follow the instructions provided for returning or exchanging the product.
- **Online Shopping:** If purchased online, ensure the retailer complies with safety standards equivalent to physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure it is kept out of their reach.
- **EU Contact Point:** For any safety inquiries, refer to the contact point provided by your retailer.
- **Rapid Alerts:** Regularly check the EU Safety Gate platform for updates on product safety alerts.

## Specific Safety Precautions for Use

- **Avoid Eye Exposure:** Do not look directly at the sun or any intense light sources through the scope. This may cause permanent eye damage.
- **Secure Handling:** Always handle the scope with care. Dropping or mishandling can damage the optics and internal mechanisms.
- **Moisture Protection:** Avoid exposing the scope to extreme moisture or heavy rain. If necessary, use a protective cover.
- **Temperature Extremes:** Do not expose the scope to extreme temperatures. Store in a cool, dry place when not in use.
- **Cleaning Caution:** Use only a soft, dry cloth for cleaning the lens. Avoid using abrasive materials that could scratch the surface.

## Instructions for Installation and Usage

- **Mounting the Scope:**
  1. Ensure the rifle or mounting platform is stable.
  2. Align the scope with the mounting rings, ensuring it is level.
  3. Securely tighten the mounting screws without overtightening to avoid damage.
- **Adjusting the Magnification:**
  1. Rotate the magnification ring to set your desired level, from 8x to 40x.
  2. Ensure the image is clear and focused at your chosen magnification.
- **Using the Elevation Adjustment:**
  1. Use the elevation turret to adjust for bullet drop at various distances.
  2. Each click adjusts the point of impact by 0.1 MIL.
- **Field of View:**

1. At 40x magnification, your field of view will be 1.0m at 100m.
2. Adjust the focus to ensure a clear target image.

- **Reticle Use:**

1. Familiarize yourself with the Tremor 3 reticle for optimal target acquisition.
2. Use the reticle for range estimation and windage adjustments.

## Disposal Instructions

- **Environmental Responsibility:** Dispose of the product in accordance with local regulations for electronic waste.
- **Battery Disposal:** If applicable, remove batteries and dispose of them separately in designated recycling bins.

## Contact Information for Further Support

For any questions or concerns regarding your ZC OPTIC ZF 840X56, please refer to the contact information provided by your retailer. They will assist you with any safety inquiries or product support.

By following these safety instructions, you can ensure a safe and enjoyable experience with your ZC OPTIC ZF 840X56 spotting scope. Thank you for your attention to these important guidelines.
