ZC840

Our engineers have set a new standard for magnification, imaging performance and mechanical precision with the ZC840.

This optical system offers outstanding performance and enables a perfect image even in the higher magnification range.

- Magnification: Over 30x for exceptional detail accuracy
- Top optical values: Outstanding contrast and resolution for a brilliant image
- Elevation adjustment range: 28 mils for precise settings over long distances
- Field of view: From 4.6m/100m to 1.0m/100m at 40x magnification for optimum target acquisition and tracking

With its impressive performance range, the ZC840 is the ideal choice for shooters who demand the best from their optics and are looking for an unrivalled shooting experience.

Attributes

- Name: [ZC OPTIC ZF 8-40X56 - FDE - Tremor 3, CCW - 10Mil tower - lock](#)
- Manufacturer: [ZCO Zero Compromise Optics](#)
- Product no.: BRD730095
- Mfr. No.: ZCO4000631
- Click Value: 0.1 MIL
- Color: FDE
- Magnification: 40x
- Max Magnification: 40x
- Min. Magnification: 8x
- Objective Size: 56mm
- Reticle: Tremor 3, CCW
- Scope Tube Diameter: 36mm
- Delivery weight: 5kg

Safety Instruction Guide for ZC OPTIC ZF 840X56

Introduction

Thank you for choosing the ZC OPTIC ZF 840X56. This optical system is designed to provide exceptional performance and clarity for your shooting needs. To ensure your safety and the longevity of the product, please read this safety instruction guide carefully.

General Safety Guidelines

- Always use the product according to the manufacturer's instructions.
- Inspect the product before each use for any damage or defects.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Magnification Hazards:** High magnification can lead to misjudgment of distances. Always confirm distances before taking a shot.
- **Eye Protection:** Always wear appropriate eye protection while using the product to avoid injury.
- **Sunlight Exposure:** Avoid direct sunlight exposure to the lens for extended periods to prevent damage.
- **Environmental Conditions:** Do not use the product in extreme weather conditions (e.g., heavy rain, snow, or extreme heat) as this may affect performance.
- **Handling:** Handle the product with care. Dropping or knocking it can cause misalignment or damage.

Instructions for Installation and Usage

1. Mounting the Scope:

- Ensure you have a compatible mounting base.
- Align the scope tube with the mounting base.
- Secure the scope using the provided mounting rings and screws. Ensure they are tightened but not overtightened to avoid damage.

2. Adjusting the Reticle:

- Use the elevation and windage turrets to adjust the reticle according to your shooting needs.
- Make small adjustments and test the alignment to ensure accuracy.

3. Setting the Magnification:

- Rotate the magnification ring to set your desired level of zoom.
- Start with a lower magnification for target acquisition and then increase as needed.

4. Using the Product:

- Position yourself comfortably and ensure a stable shooting stance.
- Look through the eyepiece and adjust the focus as necessary for a clear image.
- Use the field of view to track your target effectively.

5. Maintenance:

- Clean the lenses regularly with a soft, lintfree cloth.
- Store the product in a dry, cool place when not in use.

- Avoid using harsh chemicals or abrasive materials for cleaning.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check for recycling programs or collection points in your area for safe disposal.

Contact Information for Further Support

For any questions or concerns regarding safety or product performance, please refer to the manufacturer's contact details provided with your product packaging or visit the official website.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the ZC OPTIC ZF 840X56.
