## **ZC840**

Our engineers have set a new standard for magnification, imaging performance and mechanical precision with the ZC840.

This optical system offers outstanding performance and enables a perfect image even in the higher magnification range.

- Magnification: Over 30x for exceptional detail accuracy
- Top optical values: Outstanding contrast and resolution for a brilliant image
- Elevation adjustment range: 28 mils for precise settings over long distances
- Field of view: From 4.6m/100m to 1.0m/100m at 40x magnification for optimum target acquisition and tracking

With its impressive performance range, the ZC840 is the ideal choice for shooters who demand the best from their optics and are looking for an unrivalled shooting experience.

## **Attributes**

- Name: [ZC OPTIC ZF 8-40X56 - Black - TREMOR 5 - ccw - 10Mil tower - no lock](#)
- Manufacturer: [ZCO Zero Compromise Optics](#)
- Product no.: BRD730096
- Mfr. No.: ZCO4000608
- Click Value: 0.1 MIL
- Color: Black
- Magnification: 40x
- Max Magnification: 40x
- Min. Magnification: 8x
- Objective Size: 56mm
- Reticle: TREMOR 5
- Scope Tube Diameter: 36mm
- Delivery weight: 5kg

# ZC OPTIC ZF 840X56 Safety Instruction Guide

## Introduction

Thank you for choosing the ZC OPTIC ZF 840X56. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document carefully before using the scope. Adhering to these guidelines will help you avoid potential hazards and ensure a rewarding shooting experience.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose, which is for optical sighting in shooting sports.
- Always handle the scope with care to avoid damage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the scope for any signs of damage or wear.
- If the product is damaged, discontinue use immediately and seek professional assistance.
- Follow all local laws and regulations regarding the use of optical scopes.

## Specific Safety Precautions for Use

- Always ensure that the firearm is pointed in a safe direction when using the scope.
- Do not look directly at the sun or any bright light source through the scope, as this may cause permanent eye damage.
- Use the scope only in appropriate weather conditions to avoid slipping or falling.
- Be aware of your surroundings and ensure that there are no obstructions that could interfere with the safe use of the scope.
- Avoid using the scope while under the influence of drugs or alcohol.

## Instructions for Installation and Usage

### Installation

#### 1. Mounting the Scope:

- Select a suitable mounting base compatible with your firearm.
- Securely attach the scope to the mounting base using the provided screws.
- Ensure that the scope is aligned properly with the barrel of the firearm.

#### 2. Adjusting the Scope:

- Set the magnification to the desired level by rotating the magnification ring.
- Use the elevation and windage adjustments to zero the scope according to your shooting preferences.

### Usage

#### • Focusing:

- Adjust the eyepiece to achieve a clear image. This is done by rotating the eyepiece until the reticle is sharp and clear.

#### • Target Acquisition:

- Look through the scope and locate your target. Use the reticle to aim accurately.

#### • Shooting:

- Ensure that the firearm is stable and your grip is secure before taking a shot.
- Take your time to aim and breathe steadily before pulling the trigger.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the scope in regular household waste.
- If the product is no longer usable, consider recycling components where possible.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the manufacturer's contact details provided in the product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and enjoyable experience with your ZC OPTIC ZF 840X56. Thank you for your attention to these important guidelines.
