ZC840

Our engineers have set a new standard for magnification, imaging performance and mechanical precision with the ZC840.

This optical system offers outstanding performance and enables a perfect image even in the higher magnification range.

- Magnification: Over 30x for exceptional detail accuracy
- Top optical values: Outstanding contrast and resolution for a brilliant image
- Elevation adjustment range: 28 mils for precise settings over long distances
- Field of view: From 4.6m/100m to 1.0m/100m at 40x magnification for optimum target acquisition and tracking

With its impressive performance range, the ZC840 is the ideal choice for shooters who demand the best from their optics and are looking for an unrivalled shooting experience.

Attributes

- Name: [ZC OPTIC ZF 8-40X56 - Black - TREMOR 5 - ccw - 10Mil tower - lock](#)
- Manufacturer: [ZCO Zero Compromise Optics](#)
- Product no.: BRD730097
- Mfr. No.: ZCO4000609
- Click Value: 0.1 MIL
- Color: Black
- Magnification: 40x
- Max Magnification: 40x
- Min. Magnification: 8x
- Objective Size: 56mm
- Reticle: TREMOR 5
- Scope Tube Diameter: 36mm
- Delivery weight: 5kg

ZC OPTIC ZF 840X56 Safety Instruction Guide

Introduction

Thank you for choosing the ZC OPTIC ZF 840X56. This guide provides essential safety instructions to ensure the safe and effective use of your optical device. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always inspect the device for any visible damage before use.
- Keep the device out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose.
- Report any unsafe conditions or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not look directly at the sun through the scope, as this can cause permanent eye damage.
- Avoid using the device in extreme weather conditions (e.g., heavy rain, snow, or high winds) that may affect its performance.
- Do not attempt to disassemble or modify the scope, as this may compromise its safety and functionality.
- Ensure that the mounting system is secure before use to prevent accidents.
- Be aware of your surroundings when using the scope, particularly in areas with other people or animals.

Instructions for Installation and Usage

1. Installation:

- Choose a stable mounting surface for the scope.
- Ensure the scope tube diameter matches your mounting rings (36mm).
- Securely attach the scope to the mounting system, ensuring it is level and tight.
- Check the alignment of the reticle (TREMOR 5) to ensure proper aiming.

2. Usage:

- Adjust the magnification from 8x to 40x as required for your shooting needs.
- Use the elevation adjustment (28 mils) to make precise settings over long distances.
- Maintain a proper shooting position to ensure accuracy and stability.
- Regularly check the field of view (from 4.6m/100m to 1.0m/100m) to ensure optimal target acquisition.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste.
- Do not dispose of the device in regular household waste.
- Consider recycling the device to minimize environmental impact.

Contact Information for Further Support

For safety inquiries or additional support, please refer to the manufacturer's contact information provided with your product packaging.

By following these guidelines, you can ensure a safe and enjoyable experience with your ZC OPTIC ZF 840X56. Thank you for your attention to safety!
