ZC840

Our engineers have set a new standard for magnification, imaging performance and mechanical precision with the ZC840.

This optical system offers outstanding performance and enables a perfect image even in the higher magnification range.

- Magnification: Over 30x for exceptional detail accuracy
- Top optical values: Outstanding contrast and resolution for a brilliant image
- Elevation adjustment range: 28 mils for precise settings over long distances
- Field of view: From 4.6m/100m to 1.0m/100m at 40x magnification for optimum target acquisition and tracking

With its impressive performance range, the ZC840 is the ideal choice for shooters who demand the best from their optics and are looking for an unrivalled shooting experience.

Attributes

- Name: [ZC OPTIC ZF 8-40X56 - FDE - TREMOR 5 - ccw - 10Mil tower - no lock](#)
- Manufacturer: [ZCO Zero Compromise Optics](#)
- Product no.: BRD730098
- Mfr. No.: ZCO4000610
- Click Value: 0.1 MIL
- Color: FDE
- Magnification: 40x
- Max Magnification: 40x
- Min. Magnification: 8x
- Objective Size: 56mm
- Reticle: TREMOR 5
- Scope Tube Diameter: 36mm
- Delivery weight: 5kg

Safety Instruction Guide for ZC OPTIC ZF 840X56

Introduction

Thank you for choosing the ZC OPTIC ZF 840X56. This optical system is designed to provide exceptional performance and clarity for shooters. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- **Product Safety:** This product is designed to be safe for all users when used according to the instructions. Ensure you understand how to operate it safely.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. All recall information will be communicated through official channels.
- **Online Shopping:** If you purchased this product online, ensure that the retailer complies with safety requirements and offers the same protections as physical stores.
- **Special Consumer Focus:** Extra care should be taken when this product is used around children or vulnerable individuals. Ensure that it is stored safely out of reach.
- **EU Contact Point:** For any safety inquiries, please refer to the product packaging or retailer for details on how to reach the appropriate EU contact point.
- **Rapid Alerts:** Be aware of updates regarding unsafe products. You can find information on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always use this product in a safe environment, free from distractions and hazards.
- Do not look directly at the sun or any bright light source through the scope, as this may cause permanent damage to your eyesight.
- Ensure that the scope is securely mounted on the firearm to prevent any accidents during use.
- Regularly check the scope for any signs of damage or wear. If any issues are detected, discontinue use immediately and consult a professional.
- Avoid exposing the scope to extreme temperatures or moisture, as this can affect its performance and durability.
- Keep the scope clean and free from debris to maintain optimal performance. Use a soft cloth and appropriate cleaning solution for maintenance.
- If you are not familiar with using optical equipment, seek guidance from a knowledgeable individual before use.

Instructions for Installation and Usage

• Installation:

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Carefully mount the ZC OPTIC ZF 840X56 on the firearm using the appropriate rings and bases.
3. Tighten all screws securely, but do not overtighten, as this may damage the scope.
4. Align the scope with the rifle's bore to ensure proper sighting.

• Usage:

1. Adjust the magnification to the desired level using the zoom ring.
2. Use the elevation and windage turrets to make necessary adjustments for accurate shooting.
3. Always ensure a proper shooting position and a stable platform for the best results.
4. After use, cover the scope with a protective lens cap to prevent dust and damage.

Disposal Instructions

- When disposing of the ZC OPTIC ZF 840X56, follow local regulations for electronic waste and optical equipment.
- Do not dispose of the product in regular household waste. Instead, take it to a designated electronic recycling facility.
- Ensure that any batteries or electronic components are removed and disposed of according to local environmental guidelines.

Contact Information for Further Support

For any questions or concerns regarding the ZC OPTIC ZF 840X56, please refer to the product packaging or retailer for the appropriate contact information. They will provide assistance and further support as needed.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the ZC OPTIC ZF 840X56!
