ZC840

Our engineers have set a new standard for magnification, imaging performance and mechanical precision with the ZC840.

This optical system offers outstanding performance and enables a perfect image even in the higher magnification range.

- Magnification: Over 30x for exceptional detail accuracy
- Top optical values: Outstanding contrast and resolution for a brilliant image
- Elevation adjustment range: 28 mils for precise settings over long distances
- Field of view: From 4.6m/100m to 1.0m/100m at 40x magnification for optimum target acquisition and tracking

With its impressive performance range, the ZC840 is the ideal choice for shooters who demand the best from their optics and are looking for an unrivalled shooting experience.

Attributes

- Name: [ZC OPTIC ZF 8-40X56 - FDE - TREMOR 5 - ccw - 10Mil tower - lock](#)
- Manufacturer: [ZCO Zero Compromise Optics](#)
- Product no.: BRD730099
- Mfr. No.: ZCO4000611
- Click Value: 0.1 MIL
- Color: FDE
- Magnification: 40x
- Max Magnification: 40x
- Min. Magnification: 8x
- Objective Size: 56mm
- Reticle: TREMOR 5
- Scope Tube Diameter: 36mm
- Delivery weight: 5kg

ZC OPTIC ZF 840X56 Safety Instruction Guide

Introduction

Thank you for choosing the ZC OPTIC ZF 840X56. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your optical device. Please read this document carefully to understand how to handle and care for your product.

General Safety Guidelines

- **Product Safety:** Always ensure safe handling and usage of the ZC OPTIC ZF 840X56. This product is designed to meet high safety standards.
- **Enhanced Recalls:** In the event of product recalls, standardized notices will be issued to inform consumers. Please stay updated on any recalls.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements equivalent to those of physical stores.
- **Special Consumer Focus:** Extra care should be taken when the product is used around vulnerable groups, such as children.
- **EU Contact Point:** For any safety inquiries, refer to the EU-based contact point specific to this product.
- **Rapid Alerts:** Keep informed about product safety updates through the EU's Safety Gate system.

Specific Safety Precautions for Use

- **Avoid Direct Eye Exposure:** Do not look directly at the sun or other intense light sources through the scope, as this may cause serious eye damage.
- **Secure Mounting:** Ensure that the scope is securely mounted to avoid accidents or injuries during use.
- **Keep Out of Reach of Children:** Store the product in a safe location away from children to prevent misuse or accidents.
- **Inspect Before Use:** Always inspect the scope for any damage or defects before use. Do not use if any parts are missing or damaged.
- **Use Appropriate Protective Gear:** When using the optic in adverse weather or environments, wear appropriate protective gear to ensure your safety.

Instructions for Installation and Usage

- **Installation:**
 - Ensure you have all necessary tools before starting the installation.
 - Follow the manufacturer's guidelines for mounting the scope on your firearm or equipment.
 - Tighten all screws and mounts securely to prevent movement during use.
- **Usage:**
 - Adjust the magnification according to your shooting needs.
 - Use the elevation adjustment to finetune your aim at various distances.
 - Always maintain a firm grip on your firearm while using the scope.
 - Practice regularly to become familiar with the scope's adjustments and settings.

Disposal Instructions

- **Proper Disposal:** Dispose of the product in accordance with local regulations regarding electronic waste and optical devices.
- **Recycling:** If possible, recycle the scope and its components to minimize environmental impact.
- **Batteries:** If the product uses batteries, dispose of them separately according to local battery recycling

guidelines.

Contact Information for Further Support

For any questions or concerns regarding the ZC OPTIC ZF 840X56, please refer to the manufacturer's website or customer service resources. It is essential to have access to support for any issues that may arise during the use of this product.

Thank you for prioritizing safety while enjoying your ZC OPTIC ZF 840X56. We wish you a safe and enjoyable experience with your new optical device.
