ZCO KillFlash Safety Instructions

Introduction

Thank you for choosing the ZCO KillFlash Black 50mm. This product is designed to reduce glare and enhance visibility when using optics. To ensure your safety and the safe use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as described in this manual.
- Regularly inspect the product for any signs of damage or wear. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Be aware of your surroundings when using the product to prevent accidents.
- Report any unsafe conditions or incidents involving this product to the appropriate authorities.

Specific Safety Precautions for Use

- Do not use the ZCO KillFlash in extreme weather conditions (e.g., heavy rain, snow, or high winds) that may affect visibility or performance.
- Avoid exposing the product to extreme temperatures or direct sunlight for extended periods.
- Handle the product with care to avoid dropping or damaging it.
- Ensure that the product is securely attached to your optics before use to prevent it from falling off.
- If you experience any discomfort or adverse effects while using the product, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

Installation

1. **Prepare the Optics:** Ensure your optics are clean and free from dust or debris.
2. **Align the KillFlash:** Position the ZCO KillFlash over the objective lens of your optics.
3. **Secure the Attachment:** Follow the productspecific instructions to secure the KillFlash in place. Ensure it is firmly attached and does not wobble.
4. **Check for Proper Fit:** Verify that the KillFlash is properly aligned and securely attached before using your optics.

Usage

- To maximize effectiveness, use the KillFlash in bright light conditions where glare is a concern.
- Adjust your viewing angle as necessary to optimize visibility while using the optics.
- Regularly check the KillFlash during use to ensure it remains secure and free from obstructions.

Disposal Instructions

- Dispose of the ZCO KillFlash in accordance with local regulations for electronic waste.
- Do not dispose of the product in regular household waste.
- If unsure about disposal methods, consult local waste management authorities.

Contact Information for Further Support

For any questions or concerns regarding the ZCO KillFlash, please refer to the manufacturer's website or contact their customer support for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your ZCO KillFlash.
Thank you for your attention to safety.
