# ZCO KillFlash FDE 50mm Safety Instruction Guide

## Introduction

Thank you for choosing the ZCO KillFlash AntiReflection Device. This guide provides essential safety information and instructions for the proper use and maintenance of your product. It is important to follow these guidelines to ensure safe operation and to maximize the performance of your device.

## General Safety Guidelines

- **Product Safety:** Ensure safe use by following all instructions provided in this guide. This product is designed for nonfood applications and should not be used inappropriately.
- **Enhanced Recalls:** Stay informed about product recalls. Check the EU's Safety Gate platform for updates regarding any safety issues related to this product.
- **Online Shopping:** If purchased online, ensure that the seller complies with EU safety standards.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors to prevent accidents.
- **EU Contact Point:** For any safety inquiries, please reach out to the designated EUbased contact provided by the manufacturer.
- **Rapid Alerts:** Be aware that the Safety Gate system provides updates on unsafe products. Regularly check for any alerts regarding this product.

## Specific Safety Precautions for Use

- **Avoid Direct Eye Exposure:** Do not look directly at the sun or bright lights through the KillFlash device, as it may cause eye damage.
- **Inspect Before Use:** Always inspect the device for any damage or defects before use. Do not use if damaged.
- **Proper Mounting:** Ensure the KillFlash is properly mounted to avoid detachment during use, which could lead to accidents.
- **Use in Appropriate Conditions:** Do not use the device in extreme weather conditions that may affect its performance or integrity.
- **Keep Clean:** Regularly clean the device to maintain visibility and functionality. Use a soft, dry cloth for cleaning.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded and safe before attaching the KillFlash.
- Align the KillFlash with the optics and secure it firmly according to the manufacturer's instructions.
- Doublecheck that the device is mounted correctly and securely before use.

### 2. Usage:

- Use the KillFlash in conjunction with your optic to reduce glare and reflections.
- Always maintain a proper shooting stance and ensure that the area is clear before aiming.

### 3. PostUse Care:

- After use, remove the KillFlash if necessary for storage.
- Store the device in a cool, dry place away from direct sunlight to prevent damage.

## Disposal Instructions

- **Environmental Responsibility:** Dispose of the product in accordance with local regulations. Do not dispose of in regular household waste.
- **Recycling:** If applicable, recycle the product materials. Check with local recycling facilities for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the ZCO KillFlash, please refer to the manufacturer's contact information provided with your product. It is essential to have access to support for any issues or inquiries related to safety and performance.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective experience with your ZCO KillFlash AntiReflection Device.
