# ZCO KillFlash Safety Instruction Guide

## Introduction

Thank you for choosing the ZCO KillFlash Black 56mm. This antireflection device is designed to enhance your optical experience by reducing glare and reflections. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

To ensure safe use of the ZCO KillFlash, please follow these general safety guidelines:

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the device for any signs of damage or wear.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all instructions provided in this guide to minimize risks.

## Specific Safety Precautions for Use

When using the ZCO KillFlash, please observe the following safety precautions:

- Avoid exposing the device to extreme temperatures or harsh environmental conditions.
- Do not attempt to disassemble or modify the product.
- Use appropriate cleaning materials to maintain the device; avoid harsh chemicals that may damage the surface.
- If you notice any defects or malfunctions, discontinue use immediately and seek assistance.

## Instructions for Installation and Usage

To ensure proper installation and usage of the ZCO KillFlash, please follow these steps:

### 1. Installation:

- Ensure that your optical device is clean and free from debris.
- Align the ZCO KillFlash with the objective lens of your optical device.
- Firmly attach the KillFlash, ensuring it is secure and properly seated.

### 2. Usage:

- When using your optical device outdoors or in bright conditions, the KillFlash will help to reduce glare.
- Regularly check the alignment of the KillFlash to ensure optimal performance.
- If the device becomes loose during use, stop and reattach it securely.

## Disposal Instructions

When it comes time to dispose of the ZCO KillFlash, please follow these instructions:

- Dispose of the product in accordance with local regulations regarding electronic waste.
- Do not dispose of the device in regular household waste.
- If unsure about disposal methods, contact local waste management authorities for guidance.

## **Contact Information for Further Support**

For any questions or concerns regarding the ZCO KillFlash, please reach out to the designated EU contact point for assistance.

## **Conclusion**

Your safety and satisfaction are our top priorities. By following the guidelines and instructions outlined in this document, you can ensure safe usage of the ZCO KillFlash Black 56mm. Thank you for your attention to these important safety measures.
