ZCO KillFlash Safety Instruction Guide

Introduction

Thank you for choosing the ZCO KillFlash FDE 56mm AntiReflection Device. This guide provides essential safety instructions and information to ensure the safe use of your product. Please read this guide carefully before installation and usage to ensure optimal performance and safety.

General Safety Guidelines

- Always ensure that the ZCO KillFlash is installed correctly before use.
- Regularly inspect the device for any signs of damage or wear.
- Do not expose the product to extreme temperatures or harsh environmental conditions.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents involving the product to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the device is compatible with your optic before installation.
- Avoid using the KillFlash in conditions where visibility is significantly impaired.
- Do not attempt to modify or disassemble the device, as this may lead to malfunction or injury.
- Always use the product in accordance with the intended purpose as specified by the manufacturer.
- If you experience any issues while using the product, cease use immediately and consult a professional.

Instructions for Installation and Usage

1. Installation:

- Ensure that your optic is clean and free from debris.
- Align the ZCO KillFlash with the mounting points of your optic.
- Secure the KillFlash in place according to the manufacturer's instructions.
- Doublecheck that the device is firmly attached and does not move.

2. Usage:

- Use the KillFlash as intended to reduce glare and reflections.
- Regularly check the device during use to ensure it remains secure.
- If you notice any loss of functionality, remove the KillFlash and inspect for damage.

Disposal Instructions

- Dispose of the ZCO KillFlash in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer functional, contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the ZCO KillFlash, please reach out to the manufacturer or your point of purchase for assistance. Make sure to have your purchase details available to facilitate support.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure the safe and effective use of your ZCO KillFlash FDE 56mm AntiReflection Device.
