# Safety Instruction Guide for GENERAL NANO PROTECTION GUN OIL (AEROSOL) 200ml

## Introduction

Thank you for choosing GENERAL NANO PROTECTION GUN OIL (AEROSOL). This product is designed to provide effective lubrication and protection for firearms and other metal surfaces. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose as a lubricant and protectant.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Keep out of reach of children and pets to prevent accidental ingestion or misuse.
- Always follow local regulations regarding the use and disposal of aerosol products.
- In case of an emergency, seek medical attention immediately.

## Specific Safety Precautions for Use

- **Flammability:** This product is flammable. Keep away from open flames, sparks, and heat sources.
- **Inhalation:** Avoid inhaling vapors. Use in a wellventilated area.
- **Skin Contact:** Avoid prolonged skin contact. If contact occurs, wash the affected area with soap and water.
- **Eye Contact:** In case of eye contact, rinse immediately with plenty of water and seek medical attention if irritation persists.
- **Ingestion:** Do not ingest. If swallowed, do not induce vomiting. Seek medical assistance immediately.

## Instructions for Installation and Usage

### 1. Preparation:

- Shake the canister well before use.
- Ensure the area is wellventilated.

### 2. Application:

- Hold the can approximately 6-12 inches from the surface to be treated.
- Spray a thin, even layer of oil onto the surface.
- Allow the oil to penetrate for a few moments before wiping off any excess with a clean cloth.

### 3. Storage:

- After use, store the canister upright in a cool, dry place.
- Ensure the cap is securely fastened to prevent leakage.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not puncture or incinerate the canister, even when empty.
- Recycle the empty canister where facilities exist.

## **Contact Information for Further Support**

For safety inquiries or additional support regarding this product, please refer to the manufacturer's contact information provided on the packaging.

Thank you for your attention to these safety guidelines. Your safety is our priority!
