Safety Instruction Guide for GENERAL NANO PROTECTION GUN OIL (AEROSOL) 400ml

Introduction

Thank you for choosing GENERAL NANO PROTECTION GUN OIL (AEROSOL) 400ml. This product is designed to provide effective lubrication and protection for firearms. Please read this safety instruction guide carefully to ensure safe usage and compliance with EU safety regulations.

General Safety Guidelines

- Always use the product in a wellventilated area to avoid inhalation of vapors.
- Keep the product out of reach of children and vulnerable individuals.
- Avoid contact with skin and eyes. In case of contact, rinse thoroughly with water.
- Do not use near open flames or sources of ignition.
- Store in a cool, dry place away from direct sunlight.
- Check the product for any signs of damage before use. Do not use if the can is punctured or leaking.
- Dispose of the product in accordance with local regulations.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before applying the gun oil.
- Do not apply the product directly to hot surfaces or moving parts.
- Use gloves when handling the product to minimize skin contact.
- Avoid inhaling the spray. Use a mask if necessary.
- Do not spray towards face or body. Always direct the nozzle away from yourself and others.
- Allow the product to dry completely before using the firearm.

Instructions for Installation and Usage

1. Preparation

- Shake the canister well before use to ensure an even mixture.
- Ensure the firearm is unloaded and in a safe position.

2. Application

- Hold the can about 1520 cm away from the surface to be treated.
- Spray a light, even coat of oil onto the desired area.
- For best results, apply to all moving parts and surfaces that require lubrication.

3. PostApplication

- Allow the oil to penetrate for a few minutes.
- Wipe off any excess oil with a clean cloth to prevent buildup.
- Store the firearm in a safe and secure location after application.

Disposal Instructions

- Do not dispose of the product in household waste.
- Follow local regulations for the disposal of aerosol cans.
- Take the product to a designated hazardous waste collection point if available.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the use of GENERAL NANO PROTECTION GUN OIL, please refer to your local regulations or contact the manufacturer directly.

By following these guidelines, you can ensure the safe and effective use of GENERAL NANO PROTECTION GUN OIL (AEROSOL) 400ml. Thank you for your attention to safety.
