GENERAL NANO PROTECTION GUN OIL (AEROSOL)

200ml Safety Instructions

Introduction

Thank you for choosing GENERAL NANO PROTECTION GUN OIL (AEROSOL) 200ml. This product is designed to provide superior lubrication and protection for firearms. To ensure safe use and compliance with the EU General Product Safety Regulation (GPSR), please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a lubricant and protectant for firearms.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Keep out of reach of children and vulnerable individuals.
- Always check for product recalls and safety alerts on the EU Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Flammability:** This product is flammable. Avoid using it near open flames or sparks.
- **Inhalation:** Use in a wellventilated area to prevent inhalation of fumes. If you experience dizziness or respiratory issues, move to fresh air immediately.
- **Skin Contact:** Avoid prolonged skin contact. If contact occurs, wash the affected area with soap and water.
- **Eye Contact:** In case of eye contact, rinse thoroughly with water for at least 15 minutes and seek medical attention if irritation persists.
- **Storage:** Do not store above 50°C (122°F) and keep away from oxidizing agents.

Instructions for Installation and Usage

1. Preparation:

- Shake the canister well before use.
- Ensure the firearm is unloaded and pointed in a safe direction.

2. Application:

- Hold the canister upright and spray a thin layer of oil onto the desired area of the firearm.
- Allow the oil to penetrate for a few minutes.
- Wipe off any excess oil with a clean cloth.

3. PostApplication:

- After use, clean the nozzle to prevent clogging.
- Store the canister in an upright position in a cool, dry place.

Disposal Instructions

- Dispose of empty canisters according to local regulations.
- Do not puncture or incinerate the canister.
- Ensure that any leftover product is disposed of safely and responsibly.

Contact Information for Further Support

For any inquiries or concerns regarding the product, please refer to the relevant authorities or visit the EU Safety Gate platform for updated information on safety and recalls.

By following these safety instructions, you can ensure a safe and effective experience with GENERAL NANO PROTECTION GUN OIL (AEROSOL) 200ml. Thank you for your attention to safety.
