Safety Instruction Guide for GENERAL NANO PROTECTION GUN OIL (AEROSOL) 400ml

Introduction

Thank you for choosing GENERAL NANO PROTECTION GUN OIL (AEROSOL) 400ml. This product is designed to provide effective lubrication and protection for firearms. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always keep the product out of reach of children and pets.
- Store in a cool, dry place away from direct sunlight and heat sources.
- Avoid inhalation of vapors and ensure adequate ventilation during use.
- Do not puncture or incinerate the aerosol can, even when empty.
- Use the product only for its intended purpose as specified in the instructions.
- In case of contact with eyes or skin, rinse immediately with plenty of water and seek medical advice if irritation persists.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Before using the product, read the label and follow all instructions carefully.
- Do not use near open flames, sparks, or other sources of ignition.
- Avoid spraying in enclosed spaces without proper ventilation.
- Wear protective gloves and eyewear if necessary.
- Do not spray on hot surfaces or electrical equipment.
- Ensure the can is held upright when spraying to avoid leakage.

Instructions for Installation and Usage

1. Preparation:

- Shake the can well before use to ensure proper mixing of the contents.
- Clean the surface of the firearm to remove any dust, dirt, or residues.

2. Application:

- Hold the can approximately 20-30 cm away from the surface to be treated.
- Press the nozzle to spray a thin, even layer of the oil onto the desired areas.
- Allow the product to penetrate and dry before handling the firearm.

3. Postapplication:

- Clean the nozzle after use to prevent clogging.
- Store the can in an upright position in a safe location.

Disposal Instructions

- Dispose of the aerosol can in accordance with local regulations.
- Do not throw the can into fire or expose it to temperatures exceeding 50°C.
- If the can is empty, it can usually be recycled; check local recycling guidelines.

Contact Information for Further Support

For any safety inquiries or additional information regarding this product, please contact your local distributor or manufacturer. Ensure you have the product information ready when seeking assistance.

Thank you for choosing GENERAL NANO PROTECTION GUN OIL (AEROSOL) 400ml. Your safety is our priority.
