

# **Silicone Oil Spray 200ml - 1 pc.**

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Lubricant & Protectant Oils](#)

## **GENERAL NANO PROTECTION Silicone Oil Spray 200ml - 1 pc.**

Silicone oil is ideal for ASG air gun maintenance. Rubber, plastic and metal parts can be protected and lubricated with silicone oil. Due to the high surface adhesion of silicone oil, the oil film remains very long. Therefore, silicone oil is also ideal for the care and maintenance of CO2 and airsoft guns. Natural drying out and embrittlement are prevented.

### **Attributes**

- Name: [GENERAL NANO PROTECTION Silicone Oil Spray 200ml - 1 pc.](#)
- Manufacturer: [GENERAL NANO PROTECTION](#)
- Product no.: BRD811005
- Mfr. No.: 502489

# Safety Instruction Guide for GENERAL NANO PROTECTION Silicone Oil Spray 200ml

## Introduction

Thank you for choosing GENERAL NANO PROTECTION Silicone Oil Spray. This product is designed for maintaining ASG air guns and protecting rubber, plastic, and metal parts. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- **Product Safety:** Ensure that all users are aware of the safety measures associated with this nonfood product.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of children and vulnerable individuals.
- **EU Contact Point:** For safety inquiries, refer to the designated EU contact point provided by the retailer.
- **Rapid Alerts:** Regularly check the EU Safety Gate platform for updates on product safety.

## Specific Safety Precautions for Use

- **Avoid Inhalation:** Do not inhale the mist or vapor produced when using the spray.
- **Skin Contact:** Avoid direct contact with skin. If contact occurs, wash the affected area with soap and water.
- **Eye Protection:** Always wear safety goggles when applying the spray to prevent eye irritation.
- **Ventilation:** Use the product in a wellventilated area to minimize inhalation risks.
- **Heat Sources:** Keep the spray away from open flames, hot surfaces, and sources of ignition.
- **Storage:** Store in a cool, dry place away from direct sunlight and out of reach of children.

## Instructions for Installation and Usage

### 1. Preparation:

- Shake the canister well before use.
- Ensure the surface to be treated is clean and dry.

### 2. Application:

- Hold the canister approximately 1520 cm away from the surface.
- Spray a light, even coat over the desired area.
- Avoid oversaturating the surface to prevent drips.

### 3. PostApplication:

- Allow the silicone oil to dry completely before handling the treated items.
- Wipe off any excess oil with a clean cloth.

### 4. Maintenance:

- Regularly check the treated surfaces for wear and reapply as needed to maintain protection and lubrication.

## Disposal Instructions

- **Container Disposal:** Dispose of the empty canister according to local regulations for hazardous waste.
- **Product Disposal:** Do not pour leftover product down drains or toilets. Consult local waste management authorities for proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or additional support, please refer to the contact information provided by your retailer or visit the EU Safety Gate platform for updates and recalls.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities.
