## 200ml Safety Instructions

### Introduction

Thank you for choosing GENERAL NANO PROTECTION GUN OIL (AEROSOL) 200ml. This product is designed to provide superior lubrication and protection for your firearms. To ensure safe and effective use, please read and follow these safety instructions carefully.

### General Safety Guidelines

- Ensure that the product is used in accordance with the instructions provided.
- Keep this product out of reach of children and vulnerable individuals.
- Do not use the product for any purpose other than its intended use.
- Be aware of potential hazards associated with aerosol products, including flammability and inhalation risks.

### Specific Safety Precautions for Use

- **Flammability:**
  - Keep away from heat, sparks, open flames, and hot surfaces.
  - Do not smoke while using the product.
- **Inhalation:**
  - Use in a wellventilated area to avoid inhaling fumes.
  - If you experience dizziness or respiratory discomfort, move to fresh air immediately.
- **Skin Contact:**
  - Avoid contact with skin. If contact occurs, wash the affected area with soap and water.
- **Eye Contact:**
  - In case of eye contact, rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do so. Continue rinsing and seek medical advice if irritation persists.

### Instructions for Installation and Usage

1. **Preparation:**
  - Ensure the firearm is unloaded and pointed in a safe direction before applying the product.
  - Shake the aerosol can well before use.
2. **Application:**
  - Hold the can approximately 68 inches away from the surface to be treated.
  - Spray a thin, even layer of the gun oil onto the desired area. Avoid oversaturating.
3. **PostApplication:**
  - Allow the product to dry completely before handling the firearm.
  - Wipe off any excess oil with a clean cloth to prevent buildup.
4. **Storage:**
  - Store in a cool, dry place away from direct sunlight and heat sources.
  - Ensure the cap is securely fastened when not in use.

### Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not puncture or incinerate the can, even when empty.
- Check with local waste disposal authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please refer to the product packaging for contact details or consult the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective experience with GENERAL NANO PROTECTION GUN OIL (AEROSOL) 200ml. Thank you for your attention to safety and for choosing our product.
