Safety Instructions for GENERAL NANO PROTECTION DEGREASER CLEANER (AEROSOL)

Introduction

Thank you for choosing the GENERAL NANO PROTECTION DEGREASER CLEANER (AEROSOL). This product is designed to effectively clean and degrease surfaces. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always use the product in a wellventilated area.
- Keep out of reach of children and pets.
- Do not use the product near open flames or sources of ignition.
- Avoid contact with eyes and skin. In case of contact, rinse immediately with plenty of water.
- Do not inhale vapors or spray mist.
- Store the product in a cool, dry place away from direct sunlight.
- Check for any recalls or safety updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Before using the product, read the label and safety data sheet (SDS).
- Wear appropriate personal protective equipment (PPE) such as gloves and safety goggles.
- Do not spray directly onto electrical appliances or live electrical components.
- Ensure that surfaces are suitable for cleaning with this product. Test on a small, inconspicuous area first.
- Do not mix with other cleaning agents or chemicals unless specified by the manufacturer.
- Dispose of any contaminated materials safely.

Instructions for Installation and Usage

1. Preparation:

- Shake the canister well before use.
- Ensure the area is wellventilated to minimize inhalation of vapors.

2. Application:

- Hold the can approximately 20-30 cm away from the surface to be cleaned.
- Spray evenly over the area, allowing the product to penetrate for a few minutes.
- Wipe the surface with a clean cloth or sponge to remove grease and dirt.

3. PostUse:

- After cleaning, ensure the area is wellventilated until the product has fully evaporated.
- Clean any tools or equipment used with soap and water.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not puncture or incinerate the aerosol canister, even when empty.
- Take any unused product to a local waste disposal facility that accepts hazardous materials.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please refer to the EU contact point for assistance. Ensure you have the product details ready for a more efficient response.

Thank you for your attention to these safety instructions. Your cooperation helps ensure a safe and effective cleaning experience with the GENERAL NANO PROTECTION DEGREASER CLEANER (AEROSOL).
