# GENERAL NANO PROTECTION GUN OIL (AEROSOL) 400ml Safety Instruction Guide

## Introduction

Thank you for choosing GENERAL NANO PROTECTION GUN OIL (AEROSOL) 400ml. This product is designed to provide effective lubrication and protection for firearms. To ensure safe and effective use, please read this safety instruction guide thoroughly.

## General Safety Guidelines

- Always store the product in a cool, dry place away from direct sunlight and heat sources.
- Keep out of reach of children and pets.
- Use the product only for its intended purpose.
- Avoid contact with skin and eyes. In case of contact, rinse thoroughly with water.
- Do not inhale aerosol spray. Use in a wellventilated area.
- Dispose of the product in accordance with local regulations.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before applying the product.
- Do not apply the product near open flames or sparks.
- Use protective gloves and safety goggles when handling the aerosol can.
- Avoid using the product on hot surfaces.
- Do not puncture or incinerate the aerosol can, even when empty.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is in a safe and stable position.
- Check that the firearm is unloaded.

### 2. Application:

- Shake the aerosol can well before use.
- Hold the can approximately 20-30 cm away from the surface to be treated.
- Spray a thin, even layer of the product onto the desired area.
- Allow the product to penetrate for a few minutes.

### 3. PostApplication:

- Wipe off any excess product with a clean cloth.
- Store the aerosol can upright in a secure location after use.

## Disposal Instructions

- Do not dispose of the aerosol can in regular household waste.
- Follow local regulations for hazardous waste disposal.
- If the can is empty, it can typically be recycled, but check local recycling guidelines.

## Contact Information for Further Support

For safety inquiries or additional information regarding the GENERAL NANO PROTECTION GUN OIL (AEROSOL) 400ml, please refer to the manufacturer's contact information provided on the product packaging.

**Important Note:** Always stay informed about product recalls and safety updates. You can check for updates on the EU's Safety Gate platform. If you encounter any unsafe products or accidents, report them to the appropriate authorities. Your safety is our priority.
