Safety Instruction Guide for GENERAL NANO PROTECTION BORE CLEANING FOAM (AEROSOL)

Introduction

Thank you for choosing GENERAL NANO PROTECTION BORE CLEANING FOAM (AEROSOL). This product is designed to effectively clean and maintain your bore. It is important to follow safety instructions to ensure safe and effective use. This guide provides essential safety information and instructions for proper handling, usage, and disposal of the product.

General Safety Guidelines

- Always read and understand the label and safety instructions before using the product.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Keep the product out of reach of children and pets.
- Do not use the product for any purpose other than its intended use.
- In case of accidental ingestion or exposure, seek medical assistance immediately.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Avoid contact with skin and eyes. If contact occurs, rinse thoroughly with water and seek medical attention if irritation persists.
- Use in a wellventilated area to avoid inhalation of fumes.
- Do not spray towards an open flame or source of ignition.
- Wear protective gloves and eyewear when using the product to minimize exposure.
- Do not puncture or incinerate the aerosol can, even when empty.
- Ensure that the product is not stored or used near incompatible materials such as strong oxidizers.

Instructions for Installation and Usage

1. Preparation:

- Ensure the area is wellventilated.
- Shake the canister well before use.

2. Application:

- Point the nozzle towards the bore to be cleaned.
- Spray the foam evenly into the bore, ensuring complete coverage.
- Allow the foam to sit for the recommended time as indicated on the label (typically a few minutes).

3. Cleaning:

- Use a cleaning rod or brush to agitate the foam within the bore.
- Wipe the bore with a clean cloth to remove residue and contaminants.

4. PostUse:

- After use, clean the nozzle by spraying briefly into a waste container.
- Store the canister upright in a cool, dry place.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the aerosol can in regular household waste.
- Take the empty canister to a designated hazardous waste collection point or recycling facility.

Contact Information for Further Support

For any inquiries or further assistance regarding the use of this product, please refer to the manufacturer's website or contact their customer support.

By following these safety instructions, you can ensure the safe and effective use of GENERAL NANO PROTECTION BORE CLEANING FOAM (AEROSOL). Thank you for your attention to safety!
