# Safety Instruction Guide for GENERAL NANO PROTECTION BORE CLEANING FOAM (AEROSOL)

## Introduction

Thank you for choosing GENERAL NANO PROTECTION Bore Cleaning Foam. This product is designed to effectively clean and maintain your bore while ensuring safety during use. Please read this safety instruction guide carefully to ensure safe handling and usage of the product.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose as outlined in this guide.
- Keep out of reach of children and pets to prevent accidental ingestion or misuse.
- Always use in a wellventilated area to avoid inhalation of fumes.
- Do not expose the product to high temperatures or direct sunlight.
- In case of spillage, clean immediately to avoid slips or falls.
- Follow all local regulations regarding the storage and disposal of aerosol products.

## Specific Safety Precautions for Use

- **Flammability:** This product is flammable. Keep away from open flames, sparks, and heat sources.
- **Inhalation:** Avoid breathing in vapors or mist. Use a mask if necessary.
- **Skin Contact:** Avoid contact with skin. In case of contact, wash with soap and water.
- **Eye Contact:** In case of contact with eyes, rinse immediately with plenty of water and seek medical attention if irritation persists.
- **Ingestion:** Do not ingest. If swallowed, seek medical attention immediately.

## Instructions for Installation and Usage

### 1. Preparation:

- Shake the canister well before use.
- Ensure the nozzle is clean and unobstructed.

### 2. Application:

- Hold the can approximately 20 cm away from the bore.
- Spray evenly into the bore.
- Allow the foam to sit for the recommended time as per the product guidelines.
- Wipe clean with a suitable cloth or cleaning tool.

### 3. PostApplication:

- After use, clean the nozzle and store the canister in a cool, dry place.
- Ensure the cap is securely fastened to prevent accidental discharge.

## Disposal Instructions

- Dispose of empty canisters and any unused product in accordance with local waste disposal regulations.
- Do not puncture or incinerate canisters, even when empty.
- Check with your local authority for specific disposal guidelines for aerosol products.

## **Contact Information for Further Support**

For any safety inquiries or further information regarding the product, please refer to the contact details provided on the product packaging.

By following these safety instructions, you help ensure a safe and effective experience with GENERAL NANO PROTECTION Bore Cleaning Foam. Thank you for your attention to safety!
