## Safety Instructions

### Introduction

Thank you for choosing the GENERAL NANO PROTECTION GUN CLEANER. This product is designed to effectively clean and maintain your firearms. Please read this safety instruction guide carefully to ensure safe and effective use.

### General Safety Guidelines

- Always keep the product out of reach of children and pets.
- Do not use the cleaner for any purpose other than its intended use.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Ensure adequate ventilation when using the product to avoid inhalation of vapors.
- Follow all local regulations regarding the use and disposal of chemical products.

### Specific Safety Precautions for Use

- Avoid contact with skin and eyes. In case of contact, rinse thoroughly with water and seek medical attention if irritation persists.
- Do not ingest the product. If swallowed, seek medical advice immediately.
- Use protective gloves and eyewear when handling the cleaner to minimize exposure.
- Keep away from open flames and sources of ignition as the product is flammable.
- Do not spray towards face or body. Always direct the nozzle away from yourself and others.

### Instructions for Installation and Usage

#### 1. Preparation

- Shake the bottle gently before use to ensure even distribution of the cleaner.
- Ensure the firearm is unloaded and pointed in a safe direction.

#### 2. Application

- Hold the bottle upright and aim the atomizer nozzle towards the area you wish to clean.
- Spray a light, even coat of the cleaner onto the surface of the firearm.
- Allow the cleaner to sit for a few moments to penetrate and dissolve residues.
- Wipe the surface with a clean, dry cloth to remove dirt and debris.

#### 3. PostUse Care

- After use, store the cleaner in its original container, tightly closed.
- Clean any overspray or residue from surrounding areas to prevent accidental contact.

### Disposal Instructions

- Dispose of the product and its container in accordance with local regulations.
- Do not dispose of the product down the drain or in the trash unless specified by local waste management guidelines.
- If unsure, contact your local waste disposal authority for proper disposal methods.
