Safety Instruction Guide for GENERAL NANO PROTECTION DEGREASER CLEANER (AEROSOL)

Introduction

Thank you for choosing GENERAL NANO PROTECTION DEGREASER CLEANER (AEROSOL). This guide provides important safety instructions to ensure safe and effective use of the product. Please read and understand all instructions before using the product.

General Safety Guidelines

- Always keep the product out of reach of children and pets.
- Use the product only for its intended purpose as stated on the label.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Ensure adequate ventilation when using the product, especially in enclosed spaces.
- Do not mix this product with other chemicals unless specified.
- In case of accidental contact with skin or eyes, rinse immediately with plenty of water and seek medical attention if necessary.
- Dispose of the product and its container in accordance with local regulations.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), such as gloves and safety goggles, when handling the product.
- Avoid inhaling the aerosol spray. Use in a wellventilated area.
- Do not use near open flames or hot surfaces.
- Do not spray directly onto electrical appliances or equipment.
- Avoid prolonged skin contact. If irritation occurs, discontinue use and consult a physician.
- Keep the product away from food and food preparation areas.

Instructions for Installation and Usage

1. Preparation:

- Shake the canister well before use to ensure proper mixing of ingredients.
- Ensure the surface to be cleaned is cool and dry.

2. Application:

- Hold the canister upright and spray at a distance of 1530 cm from the surface.
- Apply an even coat to the area needing degreasing.
- Allow the product to sit for a few minutes to penetrate the grease.

3. Wiping:

- Use a clean cloth or sponge to wipe away the loosened grease.
- For tough stains, repeat the application as necessary.

4. Final Steps:

- After cleaning, ensure that the area is wellventilated until all residues have evaporated.
- Store the canister in its original packaging when not in use.

Disposal Instructions

- Do not dispose of the product in household waste.
- Take the empty canister to a designated hazardous waste collection point or recycling facility.
- Ensure that the canister is completely empty before disposal.

Contact Information for Further Support

For safety inquiries or more information regarding the product, please contact the appropriate EU-based contact point. Check the product packaging or manufacturer's website for details.

Conclusion

Following these safety instructions will help ensure a safe and effective experience with GENERAL NANO PROTECTION DEGREASER CLEANER (AEROSOL). Always prioritize safety and report any unsafe products or incidents to the relevant authorities. Thank you for your attention to these important guidelines.
