# **Safety Instructions for GENERAL NANO PROTECTION GUN CLEANER (Bottle with Atomizer)**

## **Introduction**

Thank you for choosing GENERAL NANO PROTECTION GUN CLEANER. This product is designed to provide effective cleaning for firearms while ensuring safety during use. Please read this safety instruction guide carefully to ensure safe handling and usage of the product.

## **General Safety Guidelines**

- Always ensure that the product is stored out of reach of children and pets.
- Use the product only for its intended purpose as described in this manual.
- Avoid contact with eyes and skin. If contact occurs, rinse immediately with plenty of water.
- In case of ingestion, seek medical attention immediately and show the product label.
- Do not use near open flames or heat sources.
- Ensure proper ventilation when using the product to avoid inhalation of fumes.
- Dispose of the product and its container in accordance with local regulations.

## **Specific Safety Precautions for Use**

- Always wear protective gloves when handling the product to minimize skin contact.
- Use safety goggles to protect your eyes from splashes.
- Keep the product away from food and drink to prevent contamination.
- Do not spray directly onto electrical components or live ammunition.
- Avoid using the product in confined spaces without adequate ventilation.
- Always read labels and follow instructions on the product packaging.

## **Instructions for Installation and Usage**

- Shake the bottle well before use to ensure proper mixing of ingredients.
- Hold the bottle upright and aim the atomizer nozzle towards the area to be cleaned.
- Spray an even layer of the cleaner onto the surface of the firearm, avoiding excess application.
- Allow the cleaner to sit for a few minutes to penetrate and dissolve dirt and grime.
- Wipe the surface with a clean, dry cloth or rag to remove residues.
- For best results, repeat the process if necessary, and always ensure the firearm is dry before storage or use.

## **Disposal Instructions**

- Dispose of empty containers and any unused product in accordance with local waste disposal regulations.
- Do not dispose of the product in household waste or down the drain.
- Check with local authorities for specific disposal guidelines for hazardous materials.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the GENERAL NANO PROTECTION GUN CLEANER, please consult the product packaging for contact details or visit the manufacturer's website for more information.

## Conclusion

By following these safety instructions, you can ensure a safe and effective cleaning experience with GENERAL NANO PROTECTION GUN CLEANER. Always prioritize safety and adhere to local regulations regarding product use and disposal. Thank you for your attention to these guidelines.
