# Safety Instructions for GENERAL NANO PROTECTION BORE CLEANING FOAM (AEROSOL)

## Introduction

Thank you for choosing GENERAL NANO PROTECTION BORE CLEANING FOAM (AEROSOL). This product is designed to effectively clean and maintain firearm bores. To ensure your safety and the safe use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a bore cleaning foam.
- Keep the product out of reach of children and pets to prevent accidental exposure or misuse.
- Store the aerosol can in a cool, dry place away from direct sunlight and heat sources.
- Always check for any visible damage to the can before use. Do not use if damaged.
- Follow all local regulations regarding the use and disposal of aerosol products.

## Specific Safety Precautions for Use

- Use in a wellventilated area to avoid inhalation of fumes.
- Avoid contact with skin and eyes. In case of contact, rinse with plenty of water and seek medical attention if irritation persists.
- Do not puncture or incinerate the aerosol can, even when empty.
- Do not spray towards an open flame or any source of ignition.
- Wear protective gloves and eyewear if you have sensitive skin or are prone to allergies.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove any external accessories that may obstruct access to the bore.

### 2. Application:

- Shake the can well before use.
- Hold the can upright and insert the nozzle into the bore.
- Spray the foam into the bore, ensuring even coverage.
- Allow the foam to sit for the recommended time as indicated on the product label.

### 3. Cleaning:

- Use a cleaning rod and appropriate cleaning patches to remove the foam and fouling from the bore.
- Repeat the application if necessary, depending on the level of fouling.

### 4. PostUse:

- After cleaning, ensure that the firearm is properly lubricated and reassembled before use.
- Dispose of any used cleaning patches and materials according to local regulations.

## Disposal Instructions

- Dispose of the aerosol can in accordance with local waste management regulations.
- Do not dispose of the can in household waste.
- Check for any specific disposal guidelines for hazardous waste in your area.

## Contact Information for Further Support

For safety inquiries or additional support regarding this product, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective experience with GENERAL NANO PROTECTION BORE CLEANING FOAM (AEROSOL). Always prioritize safety and responsible usage. Thank you for your attention to these important guidelines.
