Safety Instruction Guide for GENERAL NANO PROTECTION BORE CLEANING FOAM (AEROSOL)

Introduction

Thank you for choosing GENERAL NANO PROTECTION BORE CLEANING FOAM (AEROSOL). This product is designed to effectively clean and maintain the bore of firearms. To ensure your safety and the safe use of this product, please read this guide carefully before use.

General Safety Guidelines

- Always keep this product out of reach of children and pets.
- Use the product only for its intended purpose as described in this guide.
- Ensure proper ventilation when using this product to avoid inhalation of fumes.
- Do not expose the product to heat sources or open flames.
- Avoid contact with skin and eyes. In case of contact, rinse immediately with plenty of water and seek medical advice if necessary.
- If ingested, do not induce vomiting. Seek medical attention immediately.
- Store the product in a cool, dry place away from direct sunlight.

Specific Safety Precautions for Use

- Wear appropriate protective gear, such as gloves and safety goggles, when using the product.
- Do not spray towards face or body. Always aim away from yourself and others.
- Ensure that the area is clear of any flammable materials before use.
- Test on a small, inconspicuous area before applying the product to the entire surface.
- Do not use the product on surfaces that may be damaged by solvents.

Instructions for Installation and Usage

1. Preparation:

- Shake the can well before use to ensure proper mixing of the foam.
- Ensure the area is wellventilated to reduce inhalation risks.

2. Application:

- Hold the can upright, approximately 1520 cm away from the bore.
- Press the nozzle to dispense the foam into the bore.
- Allow the foam to sit for the recommended time as indicated on the product label for optimal cleaning.

3. PostApplication:

- After the recommended time, use a cleaning rod and patch to remove the foam and any debris from the bore.
- Dispose of any used cleaning materials according to local regulations.

Disposal Instructions

- Do not puncture or incinerate the canister.
- Dispose of the product in accordance with local regulations for hazardous waste.
- Check for any specific disposal instructions on the product label.

Contact Information for Further Support

For any safety inquiries or further support regarding this product, please reach out to the manufacturer or your local regulatory authority.

Conclusion

Your safety is our priority. By following these guidelines, you can ensure the safe and effective use of GENERAL NANO PROTECTION BORE CLEANING FOAM (AEROSOL). For any concerns or questions, please consult the appropriate authorities or the manufacturer. Thank you for your attention to these safety instructions.
