# Optikreiniger Brillenreiniger Safety Instruction Guide

## Introduction

Thank you for choosing the Optikreiniger Brillenreiniger (Flasche mit Zerstäuber) 100ml. This product is designed for cleaning optical surfaces safely and effectively. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

## General Safety Guidelines

- Always follow the instructions provided in this guide to minimize risks associated with the use of this product.
- Keep the product out of reach of children and pets to prevent accidental ingestion or misuse.
- Ensure proper ventilation in the area where the product is used.
- Do not use the product near open flames or high heat sources.
- If you experience any adverse reactions while using this product, discontinue use immediately and seek medical advice.

## Specific Safety Precautions for Use

- Avoid direct contact with eyes. In case of contact, rinse thoroughly with water and seek medical attention if irritation persists.
- Do not ingest the product. If swallowed, seek medical help immediately.
- Use the product only for its intended purpose, which is cleaning optical surfaces.
- Store the product in a cool, dry place away from direct sunlight.
- Check the product for any visible damage before use. Do not use if the bottle is damaged or leaking.

## Instructions for Installation and Usage

### 1. Preparation:

- Shake the bottle gently before use to ensure even distribution of the cleaning solution.

### 2. Application:

- Hold the bottle upright and spray a small amount of the cleaner onto the optical surface.
- Use a clean, soft microfiber cloth to gently wipe the surface in a circular motion.
- Avoid using rough or abrasive materials that could scratch the surface.

### 3. PostUse Care:

- After cleaning, ensure the optical surface is dry before using it again.
- Replace the cap on the bottle after each use to prevent drying out.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding hazardous waste.
- Do not pour the product down the drain or throw it in regular household waste.
- If the bottle is empty, recycle it according to local recycling guidelines.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the use of this product, please contact the manufacturer or your local authority. Ensure that you have the product details available for reference.

By following these guidelines, you can ensure a safe and effective experience with the Optikreiniger Brillenreiniger. Thank you for your attention to these important safety instructions.
