SUPER NANO Weapon Cleaning Set

[Gun Cleaning & Chemicals](#) > [Cleaning Kits](#)

Ultimate gun care set: perfect care for your firearm

Maintain the optimum performance and lifespan of your firearm with our exclusive cleaning kit. This comprehensive kit provides everything you need to keep your firearm in top condition.

Included products:

Cleaning foam: Our specially developed cleaning foam penetrates deep into the pores of your weapon and effectively removes deposits, smoke marks and residues. The non-abrasive formula is gentle on surfaces and ensures thorough cleaning.

Oil: The high-quality lubricating oil in this set ensures that your firearm functions smoothly. It forms a protective film that prevents corrosion and at the same time optimises the movement of the parts. Perfect for long-term maintenance.

Gun parts cleaner: Developed to remove even the most stubborn dirt. Our gun parts cleaner penetrates contaminants and leaves no residue. The precision nozzle enables targeted application, even in hard-to-reach areas.

Degreaser: For deep cleaning of all moving parts. The degreaser is ideal for cleaning and care. For cleaning residue, displacing moisture and cleaning all metallic surfaces.

Why choose our cleaning kit?

Quality: Each product in this kit has been carefully crafted from high quality materials to ensure effective and gentle cleaning.

Versatility: Whether it's a pistol, rifle or shotgun, this kit is suitable for all types of firearms.

Easy to use: The products are designed to be user-friendly, even for beginners. Simply follow the instructions and you will realise how easy it is to maintain your firearm.

Invest in the care of your firearm with our cleaning kit and experience consistent accuracy and reliability with every shot. Hunt, shoot and train with confidence - thanks

to our ultimate gun care kit from General Nano Protection.

SUPER NANO Weapon Cleaning Set Safety Instruction Guide

Introduction

Thank you for choosing the SUPER NANO Weapon Cleaning Set from General Nano Protection. This comprehensive cleaning kit is designed to help you maintain your firearm in optimal condition, ensuring safety and performance. Please read this safety instruction guide carefully before using the product to ensure safe and effective use.

General Safety Guidelines

- Always follow the instructions provided in this guide to ensure safe use of the cleaning kit.
- Keep the product out of reach of children and pets.
- Use the cleaning kit in a wellventilated area to avoid inhalation of fumes.
- Be aware of potential hazards associated with the use of aerosol products, including flammability and skin irritation.
- Store the cleaning kit in a cool, dry place away from direct sunlight and heat sources.
- Regularly check for product recalls on the EU Safety Gate platform to ensure your safety.

Specific Safety Precautions for Use

- **Flammability:** The aerosol components of this cleaning kit are very flammable. Keep away from heat, open flames, and sparks.
- **Pressurized Container:** The cleaning foam and degreaser are contained in pressurized cans. Do not puncture or burn, even after use.
- **Skin and Eye Safety:** Avoid contact with skin and eyes. In case of contact, rinse immediately with plenty of water and seek medical attention if irritation persists.
- **Respiratory Safety:** Do not breathe in dust, fumes, gas, mist, vapor, or aerosol. Use a mask if necessary in poorly ventilated areas.
- **Environmental Safety:** This product is toxic to aquatic organisms. Do not dispose of it in water bodies or release it into the environment.

Instructions for Installation and Usage

1. Preparation:

- Ensure you are in a wellventilated area.
- Gather all necessary items from the cleaning kit: cleaning foam, oil, gun parts cleaner, and degreaser.

2. Cleaning Procedure:

- **Cleaning Foam:**
 - Shake the can well before use.
 - Apply the foam directly onto the surface of the firearm.
 - Allow it to penetrate for a few minutes.
 - Wipe off with a clean cloth.
- **Gun Parts Cleaner:**
 - Use the precision nozzle for targeted application.
 - Spray directly onto the contaminated areas of the firearm.
 - Wipe clean with a cloth.
- **Degreaser:**

- Apply to moving parts of the firearm to remove grease.
- Wipe down with a clean, dry cloth.
- **Lubricating Oil:**
 - After cleaning, apply a thin layer of oil to all moving parts.
 - Ensure excess oil is wiped off to avoid attracting dirt.

3. **PostCleaning:**

- Store firearms in a safe and secure location after cleaning.
- Ensure all cleaning products are securely closed and stored away from children.

Disposal Instructions

- Dispose of empty containers and unused product in accordance with local regulations.
- Do not incinerate or puncture aerosol cans.
- Check with your local waste management authority for specific disposal instructions for hazardous materials.

Contact Information for Further Support

For additional safety inquiries or product concerns, please refer to the manufacturer's contact information provided on the product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure the effective and safe use of the SUPER NANO Weapon Cleaning Set. Your safety and the performance of your firearm are our top priorities. Thank you for choosing General Nano Protection.
