SUPER NANO Weapon Cleaning Set Safety Instructions

Introduction

Thank you for choosing the SUPER NANO Weapon Cleaning Set from General Nano Protection. This product is designed to help you maintain your airsoft weapons effectively and safely. Please read this safety instruction guide carefully to ensure the safe use of the product.

General Safety Guidelines

- **Product Safety:** This product is designed to ensure safe use for airsoft cleaning. Follow all instructions to minimize risks.
- **Enhanced Recalls:** Stay informed about product recalls through official channels.
- **Online Shopping:** Ensure that you purchase this product from authorized retailers to guarantee safety and compliance.
- **Special Consumer Focus:** Keep this product out of reach of children and vulnerable individuals.
- **EU Contact Point:** For any safety inquiries, refer to the contact details provided by your retailer.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on unsafe products.

Specific Safety Precautions for Use

- **Flammability:** This product contains very flammable aerosol. Keep away from heat sources, sparks, and open flames.
- **Pressurized Container:** Do not expose to temperatures exceeding 50 °C/122 °F. May explode if heated.
- **Health Hazards:**
 - May cause drowsiness or dizziness.
 - Causes skin irritation.
 - Causes serious eye damage.
 - Toxic to aquatic organisms with longlasting effects.
- **Child Safety:** Keep out of the reach of children.
- **Smoking:** Smoking is prohibited while using this product.
- **Avoid Inhalation:** Do not breathe in dust, fumes, gases, mists, vapors, or aerosols.
- **Sunlight Protection:** Protect from sunlight to prevent degradation of the product.

Instructions for Installation and Usage

1. Preparation:

- Ensure the airsoft weapon is unloaded and safe to clean.
- Work in a wellventilated area away from heat sources.

2. Using the Cleaning Set:

- **Bore Cleaning Foam:**
 - Apply the foam into the inner barrel.
 - Allow it to sit for a few minutes.
 - Use a cleaning rod or cloth to remove residue.
- **Gun Oil:**
 - Apply a small amount to moving parts.
 - Wipe away excess oil to prevent buildup.
- **Gun Cleaner:**
 - Spray on stubborn dirt and wipe with a cloth.

- Ensure the surface is dry before usage.
- **Silicone Oil:**
 - Spray on rubber and plastic parts.
 - Ensure even coverage to avoid drying out.

3. **PostCleaning:**

- Store the cleaning set in a cool, dry place.
- Ensure all containers are tightly closed after use.

Disposal Instructions

- Dispose of the product according to local regulations.
- Do not puncture or burn containers, even when empty.
- Take used cleaning materials to a designated waste disposal site.
