

SSC, Super Steady Tripod Kit

[Shooting Accessories](#) > [Shooting Rests](#) > [Rifle Rests](#)

Combine all 3 of our most popular products into one super steady shooting platform. The RLD-3 has red cushioned grips, independently adjustable legs with inch markers and is built of lightweight but durable aluminum. The XSR is designed for the gun to be perfectly balanced over tripod. It has 2 laterally adjustable USRs to accommodate most any rifle or crossbow. The USRs on the XSR are wide to accept most any stocks and have non-marring rubber inserts to keep the rifle from sliding around.

BOG SSC, Super Steady Tripod Kit Safety Instructions

Introduction

Thank you for choosing the BOG SSC, Super Steady Tripod Kit. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your tripod kit. Please read this manual carefully before use and keep it for future reference.

General Safety Guidelines

- Ensure that the tripod is fully assembled and stable before use.
- Always inspect the tripod for any damage or wear before each use.
- Do not exceed the weight limit specified for the tripod.
- Always use the tripod on a flat, stable surface to prevent tipping.
- Keep the tripod away from children and pets when in use.
- Do not use the tripod in adverse weather conditions (e.g., high winds, rain).
- Avoid using the tripod near steep edges or cliffs.
- If using with a firearm, ensure that the firearm is unloaded when not in use.

Specific Safety Precautions for Use

- When adjusting the legs of the tripod, ensure they are securely locked in place to prevent collapse.
- Use caution when mounting or dismounting your rifle or crossbow on the tripod.
- Always keep your fingers away from moving parts during adjustments.
- Ensure that the firearm is properly balanced on the tripod to avoid tipping.
- Do not leave the tripod unattended when a firearm is mounted.
- Use the nonmarring rubber inserts on the USRs to secure your firearm and prevent sliding.
- Be aware of your surroundings and ensure that the area is clear of obstructions when using the tripod.

Instructions for Installation and Usage

1. Assembly:

- Unpack all components of the BOG SSC, Super Steady Tripod Kit.
- Attach the legs to the tripod head according to the included assembly instructions.
- Ensure all connections are tight and secure.

2. Adjusting the Tripod:

- Extend the legs to the desired height and ensure they are locked in place.
- Adjust the angle of the tripod head to achieve the desired shooting position.

3. Mounting Your Firearm:

- Place your firearm securely on the tripod's USRs.
- Adjust the USRs to fit the stock of your firearm and ensure a snug fit.
- Use the rubber inserts to secure the firearm and prevent movement.

4. Using the Tripod:

- Position the tripod on a stable surface.
- Ensure your firearm is balanced and secure before taking aim.

- Always keep the safety on when not actively aiming or shooting.

5. Dismounting Your Firearm:

- Carefully remove your firearm from the tripod when finished.
- Store the firearm safely and securely according to local laws and regulations.

Disposal Instructions

Please dispose of the BOG SSC, Super Steady Tripod Kit responsibly. Follow local regulations for the disposal of aluminum and plastic materials. If the product is no longer usable, consider recycling components where possible.

Contact Information for Further Support

For any safety inquiries or product support, please refer to the contact information provided in the product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and enjoyable experience with the BOG SSC, Super Steady Tripod Kit. Always prioritize safety and responsibility when using this product. Thank you for your attention to these guidelines.
