BOG Great Divide Western Tripod Safety Instruction Guide

Introduction

Thank you for choosing the BOG™ Great Divide Western Tripod. This tripod is designed for stability and accuracy in various shooting positions, making it an essential tool for your western hunting experience. To ensure safe and effective use of this product, please carefully read and follow these safety instructions.

General Safety Guidelines

- Always inspect the tripod for any visible damage before use.
- Ensure that the tripod is set up on stable, level ground to prevent tipping.
- Use the tripod only for its intended purpose; do not exceed its weight limit.
- Keep the tripod away from children and pets when not in use.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Stability:** Always extend the legs fully and lock them in place before use. Check that the retractable steel feet are securely deployed for maximum traction.
- **Adjustments:** Make microelevations adjustments slowly to avoid sudden shifts that could lead to instability.
- **Shooting Position:** When transitioning from sitting to standing, ensure that the tripod is stable and secure before taking aim.
- **Environmental Awareness:** Be cautious of your surroundings, especially in rugged terrain. Watch for loose rocks and uneven ground that may affect stability.
- **Weather Conditions:** Avoid using the tripod in extreme weather conditions that may compromise safety.

Instructions for Installation and Usage

Setting Up the Tripod

1. **Unpack the Tripod:** Carefully remove the tripod from its packaging.
2. **Extend the Legs:** Pull each leg down to the desired height. Ensure that each leg is fully extended and locked into place.
3. **Position the Feet:** Adjust the retractable steel feet for optimal grip on the ground.
4. **Attach the Fluid Head:** If using an Arca Swiss attachment, ensure it is securely connected to the fluid head before mounting any equipment.
5. **Adjust the Center Post:** Use the center post adjustment to achieve the desired height. Make microelevations adjustments as needed.

Using the Tripod

- **Sitting Position:** When shooting from a sitting position, ensure the tripod is stable. Adjust the height of the legs if necessary.
- **Standing Position:** When transitioning to a standing position, doublecheck that the tripod is secure and stable before aiming.
- **Packing Up:** After use, retract the legs and store the tripod in a dry, cool place to maintain its integrity.

Disposal Instructions

When disposing of the BOG™ Great Divide Western Tripod, follow these guidelines: * **Recycling:** Check local regulations regarding the recycling of carbon fiber and plastic materials. Many components can be recycled. * **Disposal of NonRecyclable Parts:** For parts that cannot be recycled, dispose of them in accordance with local waste disposal regulations to minimize environmental impact.

Contact Information for Further Support

For safety inquiries or further assistance regarding the BOG™ Great Divide Western Tripod, please refer to the product packaging or visit the manufacturer's website for contact details.

By following these safety instructions, you can ensure a safe and enjoyable experience with your BOG™ Great Divide Western Tripod. Thank you for your attention to these guidelines, and happy hunting!
