# ULFHEDNAR Windmeter Pocket Safety Instructions

## Introduction

Thank you for choosing the ULFHEDNAR Windmeter Pocket. This product is designed to provide you with a reliable way to measure wind speed while ensuring your safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Ensure that the Windmeter Pocket is used only for its intended purpose.
- Always check the product for any visible damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all local regulations regarding the use of wind measuring devices.

## Specific Safety Precautions for Use

- Avoid using the Windmeter Pocket in extreme weather conditions (e.g., heavy rain, storms) that may affect its performance and your safety.
- Do not expose the product to high temperatures or direct sunlight for extended periods.
- Be cautious when attaching or detaching the Windmeter Pocket to your belt or bag to avoid pinching or injury.
- Regularly inspect the attachment points for wear and tear to ensure secure fastening.

## Instructions for Installation and Usage

### 1. Attaching the Windmeter Pocket:

- Locate the Molle system on your range bag or case.
- Slide the Windmeter Pocket onto the Molle strap until it is securely attached.
- Ensure that the Windmeter Pocket is fastened tightly to prevent it from falling off during use.

### 2. Using the Windmeter:

- Remove the Windmeter from the pouch when ready to use.
- Hold the Windmeter at arm's length, facing into the wind for accurate readings.
- Follow the manufacturer's instructions for operating the Windmeter to obtain measurements.

### 3. Stowing the Windmeter Pocket:

- After use, place the Windmeter back into the pouch.
- Ensure that the pouch is securely closed to protect the Windmeter from environmental damage.

## Disposal Instructions

- Dispose of the Windmeter Pocket and any packaging materials in accordance with local waste disposal regulations.
- Do not dispose of the product in household waste. Instead, consider recycling options where available.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the ULFHEDNAR Windmeter Pocket, please refer to the EU contact point provided with your purchase. Additionally, you can check for any recall updates on the EU's Safety Gate platform.

**Important Reminder:** Always report any unsafe products or accidents to the relevant authorities to ensure consumer safety for all.
